BIDDING PROCEDURES Section I. Instructions to Bidders Instructions to Bidders A. INTRODUCTION

1. Scope of Bid

- 1.1 The Contracting Entity, as specified in the Bid Data Sheet (BDS) and in the Special Conditions of Contract (SCC), invites bids for the supply of Goods (pharmaceuticals, vaccines, contraceptives, or medical equipment) as specified in the Bid Data Sheet and Schedule of Requirements.
- 1.2 Throughout these bidding documents, the terms "writing" means any typewritten or printed communication, including letters delivered by hand, telex, and facsimile transmission, and "day" means calendar day. Singular also means plural.

2. Fraud and Corruption

- 2.1 The Contracting Entity requires that bidders, suppliers, and contractors, their subcontractors and their staff shall observe the highest standard of ethics during the procurement and execution of contracts. In pursuance of this policy, the Contracting Entity:
 - (a) defines Fraud and Corruption as per the relevant applicable Iraqi laws. For the purpose of this provision, the Contracting Entity will be guided further by the definition of the terms as set forth here below:
 - (i) "corrupt practice" is the offering, giving, receiving or soliciting, directly or indirectly, of anything of value to influence improperly the actions of another party;
 - (ii) "fraudulent practice" is any act or omission, including a misrepresentation, that knowingly or recklessly misleads, or attempts to mislead, a party to obtain a financial or other benefit or to avoid an obligation;
 - (iii) "collusive practice" is an arrangement between two or more parties designed to achieve an improper purpose, including to influence improperly the actions of another party;
 - (iv) "coercive practice" is impairing or harming, or threatening to impair or harm, directly or indirectly, any party or the property of the party to influence improperly the actions of a party;
 - (v) "obstructive practice" is
- (aa) deliberately destroying, falsifying, altering or concealing of evidence material to the investigation or making false statements to investigators in order to materially impede a Contracting Entity's investigation into allegations of a

- corrupt, fraudulent, coercive or collusive practice in accordance with the applicable Iraqi laws; and/or threatening, harassing or intimidating any party to prevent it from disclosing its knowledge of matters relevant to the investigation or from pursuing the investigation; or
- (bb)acts intended to materially impede the exercise of inspection and audit rights provided for under Sub-Clause 2.1 (d) below in accordance with the applicable Iraqi laws.
- (b) will reject the Bid if it determines in accordance with the applicable Iraqi laws that the bidder recommended for award has, directly or through an agent, engaged in corrupt, fraudulent, collusive, coercive or obstructive practices in competing for the contract in question;
- (c) will sanction a firm or individual in accordance with the applicable Iraqi laws, including declaring ineligible, either indefinitely or for a stated period of time, to be awarded contract if it at any time it is determined by the competent Iraqi authorities that the firm has, directly or through an agent, engaged in corrupt, fraudulent, collusive, coercive or obstructive practices in competing for, or in executing, a Contracting Entity financed contract; and
- (d) will have the right to inspect the accounts and records and other documents relating to the bid submission and contract performance of bidders, suppliers, and contractors and their sub-contractors and to have them audited by the competent authorities in accordance to the applicable Iraq Laws.

B. THE BIDDING DOCUMENTS

3. Content of Bidding Documents

3.1 The Bidding Documents are those stated below and should be read in conjunction with any addendum issued in accordance with ITB Clause 5:

Section IX Contract Forms

3.2 The "Invitation for Bids" does not form part of the Bidding Documents..

4. Clarification of

4.1 A prospective Bidder requiring any clarification of the

Bidding Documents

5. Amendment of Bidding Documents

Bidding Documents shall contact the **Contracting Entity** in writing or by cable (the term "cable" is deemed to include electronic mail, telex, or facsimile) at the **Contracting Entity**'saddress indicated in the Bid Data Sheet. The Contracting Entity will respond in writing to any request for clarification received no later than fourteen (14) calendar days prior to the deadline of submission of bids. Copies of the Contracting Entity's response shall be sent to all prospective Bidders who have purchased the Bidding Documents, including a description of the inquiry but without identifying its source.

- 4.2 In order to maintain the confidentiality of the procedures during the Bid advertisement period, information about the names and addresses of Bidders and their agents shall not be disclosed to any unconcerned party.
- 5.1 At any time prior to the deadline for submission of bids, the **Contracting Entity** may amend the Bidding Documents by issuing Addenda.
- 5.2 Any addendum thus issued shall be part of the Bidding Documents pursuant to ITB Sub-Clause 3.1 and shall be communicated in writing to all purchasers of the Bidding Documents and will be binding on them. Bidders are required to immediately acknowledge receipt of any such amendment, and it will be assumed that the information contained in the amendment will have been taken into account by the Bidder in its bid.
- 5.3 To give prospective Bidders reasonable time in which to take the amendment into account in preparing their bids, the **Contracting Entity shall extend**, at its discretion, the deadline for submission of bids, in which case, the Contracting Entity will notify all Bidders by cable confirmed in writing of the extended deadline. The Contracting Entity shall advertise any extension of the deadline for bid submission in same media as was done for the Short Procurement Notice of this tender.

C. Preparation of Bids

6. Eligibility

- 6.1 This bidding process is open to qualified firms from any Eligible country as specified in Section V. The Firms may be excluded from bidding if:
- (a) the firms have a conflict of interest. All Bidders found to have a conflict of interest shall be disqualified. A Bidder may be considered to have a conflict of interest with one or more parties in this bidding process, if:
 - (1) they have a controlling partner in common; or
 - (2) they receive or have received any direct or indirect subsidy from any of them; or
 - (3) they have the same legal representative for purposes of this bid; or

- (4) they have a relationship with each other, directly or through common third parties, that puts them in a position to have access to information about or influence on the bid of another Bidder, or influence the decisions of the Contracting Entity regarding this bidding process; or
- (5) a Bidder submits more than one bid in this bidding process, either individually or as a partner in a joint venture. This will result in the disqualification of all such bids. However, this does not limit the participation of a Bidder as a subcontractor in another bid or of a firm as a subcontractor in more than one bid. or
- (6) a firm has been engaged by the Contracting Entityor a Purchasing Agent that has been duly authorized to act on behalf of the Contracting Entity - to provide consulting services for the preparation of the design, specifications, and other documents to be used for the procurement of the Goods described in these Bidding Documents. or
- 6.2 Staff of the Government and Public Sector cannot participate directly or indirectly in Public Tenders
- 6.3 A firm declared Black listed or Suspended by the competent authorities shall be ineligible to bid during the period of time determined. A list in this regard is available on the website **specified in BDS**.
- 7.1 Pursuant to ITB Clause 12, the Bidder shall furnish, as part of its bid, documents establishing, to the Contracting Entity's satisfaction, the eligibility of the Health Sector Goods and Medical Equipment and services to be supplied under the Contract.
- 7.2 The documentary evidence of the eligibility of the Goods and Services shall consist of a statement in the Price Schedule of the country of origin of the Goods and Services offered that shall be confirmed by a certificate of origin to be issued at the time of shipment and approved by the competent Iraqi authorities in the country of origin; such an approval is waived for items of certified Arab origin.
- 7.3 The documentary evidence of conformity of the Goods and Services as **specified in Section VI Schedule of Requirements** may be in the form of literature, drawings, and data and shall consist of:
- (a) a detailed description of the essential technical and performance characteristics of the Goods;
- (b) an item-by-item commentary on the Contracting Entity's Technical Specifications demonstrating substantial responsiveness of the Goods and Services to those specifications, or a statement of deviations and exceptions to the provisions of the Technical

- Specifications;
- (c) any other procurement-specific documentation requirement as stated in the **Bid Data Sheet**.
- 7.4 Unless the **Bid Data Sheet** stipulates otherwise, the Goods to be supplied under the Contract shall be registered with the competent authority in Iraq. A Bidder who has already registered its Goods by the time of bidding should submit a copy of the Registration Certificate with its bid. Otherwise, the successful Bidder, by the time of Contract signing, shall submit to the Contracting Entity either:
- (a) a copy of the Registration Certificate of the Goods for use in the Iraq.
- OR, if such Registration Certificate has not yet been obtained,
- (b) evidence establishing to the Contracting Entity's satisfaction that the Bidder has complied with all the documentary requirements for registration as specified in the Bid Data Sheet.
- (c) it is permitted to take excepting by the health minister.
- 7.4.1 The Contracting Entity shall at all times cooperate with the successful Bidder to facilitate the registration process within Iraq. The agency and contact person able to provide additional information about registration are identified in the **Bid Data Sheet.**
- 7.4.2 (a): If the Goods of the successful Bidder have not been registered in Iraq at the time of Contract signing, then the Contract shall become effective upon such date as the Certificate of Registration is obtained.
- (b) : minister of health has the right to take exception for the winner bidder from submitting registration certificate at the time of signing contract.
- 7.5 For purposes of the commentary to be furnished pursuant to ITB Sub-Clause 7.3 (b) above, the Bidder shall note that standards as well as references to brand names designated by the Contracting Entity in its Technical Specifications are intended to be descriptive only and not restrictive. The Bidder may substitute alternative standards, brand names, and/or catalog numbers in its bid, provided that it demonstrates to the Contracting Entity's satisfaction that the substitutions ensure substantial equivalence to those designated in the Technical Specifications.

8. Qualifications of the Bidder

SECTION IV. BIDDING FORMS

Notes on the Bidding Forms

The Bidding Forms provided in this SSBD provide standard formats for a number of the key documents that the Contracting Entity and Bidders will exchange in the process of bidding.

The Contracting Entity shall fill in the Forms with the needed information relevant to each procurement before launching the Bidding Process. The required place for writing this information is under the paragraphs written in Italic style and shaded in grey. Any notes provided to the Contracting Entity which is underlined and shaded in yellow is for information only and shall be deleted before releasing the Bidding Documents.}

The Bidder will fill in his part of the form where it is designated between brackets or .

The Bidders must complete the Forms as indicated on the form, and submit them to the Contracting Entity.

Price Schedules: The price breakdown given in the sample Price Schedules generally follows the usual breakdown requested for procurement of Goods in order for the domestic preference procedure to be applied. It is essential that Bidders submit their prices in the manner prescribed by the Price Schedules. Failure to do so may result in loss of the preference, if applicable.

Manufacturer's Authorization Form: In accordance with ITB Sub-Clause 8.1 (b), Bidders must submit, as part of their bids, Manufacturer's Authorization Form(s) in the format provided in the SSBD for all items specified in the Bid Data Sheet.

Bid Security Form: Regarding ITB Clause 17, the Contracting Entity should include the Bid Security form provided in the SSBD in the Bidding Documents. The Contracting Entity must ensure that the submitted form substantially complies with the features of the form included here in respect to its degree of protection and clarity of conditions under which it can be made effective in accordance with the applicable Iraqi Laws.

3-stat the origin of a material.

Technical Specifications PHARMACEUTICALS

- Product and Package Specification
- 1.1 The Goods to be purchased by the Contracting Entity under this Invitation for Bids are included in Iraq's current national essential drugs list or national formulary. The required packing standards and labeling must meet the latest requirements of the World Health Organization (WHO) good manufacturing practices (GMP) standards in all respects. (These standards are contained in "Good Practices in the Manufacture and Quality Control of Drugs.")
- 1.2 Product specifications indicate dosage form (e.g., tablet, ointment, capsules, dry syrup, liquid, injectable, emulsion, suspension, etc.) and the drug content (exact number of mg or international units [IU] or % v/v, w/w or v/w acceptable range). The Goods should conform to standards specified in the following compendia: [The Contracting Entity should specify an acceptable pharmacopoeia standard from one of the following: the British Pharmacopoeia, the United States Pharmacopoeia, the Pharmacopoeia. French International Pharmacopoeia, or the European Pharmacopoeia, the latter particularly for raw materials.] The standards will be the latest edition unless otherwise stated by the Contracting Entity or other if applicable. In case the pharmaceutical product is not included in the specified compendium, but included in the Iraq's national essential drug list, the Contracting Entity should clearly indicate acceptable limitsand the Bidder (Supplier), upon award of the Contract, must provide the reference standards and testing protocols to allow for quality control testing.
- Not only the pharmaceutical item, but also the packaging and labeling components (e.g., bottles, 1.3 closures, and labeling) should also meet specifications suitable for distribution, storage, and use in a climate similar to that prevailing in Iraq. All packaging must be properly sealed and tamper-proofand packaging components must meet the latest compendium standards and be approved for pharmaceutical packaging by the manufacturer's national regulatory authority (RA). The Contracting Entity should specify any additional special requirements.

- 1.4 All labeling and packaging inserts shall be in the language requested by the Contracting Entity or English if not otherwise stated.
- 1.5 Goods requiring refrigeration or freezing or those that should not fall below a certain minimum temperature for stability must specifically indicate storage requirements on labels and containers and be shipped in special containers to ensure stability in transit from point of shipment to port of entry.
- 1.6 Upon award, the successful Bidder(Supplier) shall, on demand, provide a translated version in the language of the bid of the prescriber's information for any specific goods the Contracting Entity may request.

2. Labeling Instructions

- 2.1 label of the primary container for pharmaceutical and vaccine products shall meet the W210 GMP standard and include:

1. Definitions

General Conditions of Contract

- 1.1 In this Contract, the following terms shall be interpreted as indicated:
- (a) "The Contract" means the agreement entered into between the Contracting Entity and the Supplier, as recorded in the Contract Form signed by the parties, including all attachments and appendices thereto and all documents incorporated by reference therein.
- (b) "The Contract Price" means the price payable to the Supplier under the Contract for the full and proper performance of its contractual obligations.
- (c) "Day" means calendar day.
- (d) "Effective Date" means the date on which this Contract becomes effective pursuant to GCC Sub-Clause 6.2.
- (e) "End User" means the organization(s) where the goods will be used, as named in the Schedule of Requirements.
- (f) "GCC" means the General Conditions of Contract contained in this section.
- (g) "The Goods" means all of the pharmaceuticals including nutritional supplement and oral and injectable forms of contraception, vaccines, condoms and medical equipment that the Supplier is required to supply to the Contracting Entity under the Contract.
- (h) "The Purchaser" means the organization or the Contracting Entity purchasing the Goods, as named in theSCC.
- (i) "Registration Certificate" means the certificate of registration or other documents in lieu thereof establishing that the Goods supplied under the Contract are registered for use in the Iraq in accordance with the Applicable Law.
- (j) "SCC" means the Special Conditions of Contract.
- (k) "The Services" means those services ancillary to the supply of the Goods, such as transportation and insurance, and any other incidental services, such as installation, demonstration and onsite training at Endusers' site, and other such obligations of the Supplier covered under the Contract.
- (I) "The Site," where applicable, means the place or places of End-users' site as per Schedule of Requirements
- (m) "The Supplier" means the individual or firm supplying the Goods and Services under this Contract, as named in the SCC.
- (n) Fraud and Corruption:
 - The Purchaser defines Fraud and Corruption as per the relevant applicable Iraqi laws. For the purposes of this Sub-Clause, the Purchaser will be guided further by the definition of the terms as set forth here below:
- (i) "corrupt practice" is the offering, giving, receiving or soliciting, directly or indirectly, of anything of value to influence improperly the actions of another party;
- (ii) "fraudulent practice" is any act or omission, including a misrepresentation, that knowingly or recklessly misleads, or attempts to mislead, a party to obtain a financial or

other benefit or to avoid an obligation;

- (iii) "collusive practice" is an arrangement between two or more parties designed to achieve an improper purpose, including to influence improperly the actions of another party;
- (iv) "coercive practice" is impairing or harming, or threatening to impair or harm, directly or indirectly, any party or the property of the party to influence improperly the actions of a party;
- (v) "obstructive practice" is
- (aa) deliberately destroying, falsifying, altering or concealing of evidence material to the investigation or making false statements to investigators in order to materially impede a Purchaser's investigation into allegations of a corrupt, fraudulent, coercive or collusive practice in accordance with the applicable Iraqi laws; and/or threatening, harassing or intimidating any party to prevent it from disclosing its knowledge of matters relevant to the investigation or from pursuing the investigation, or
- (bb) acts intended to materially impede the exercise of the Purchaser's inspection and audit rights as per the applicable Iraqi laws and as per Sub-Clause 5.4.
- 2.1 These General Conditions shall apply to the extent that they are not superseded by provisions of other parts of the Contract.
- 3.1 For purposes of this Clause, "origin" means the place where the Goods were mined, grown, or produced, or from which the Services are supplied. Goods are produced when, through manufacturing, processing, or substantial and major assembly of components, a commercially recognized new product results that is substantially different in basic characteristics or in purpose or utility from its components.
- 3.2 The origin of Goods and Services is distinct from the nationality of the Supplier.
- 4.1 The Goods supplied under this Contract shall conform to the standards mentioned in the Technical Specifications and, when no applicable standard is mentioned, to the authoritative standards appropriate to the Goods' country of origin. Such standards shall be the latest issued by the concerned institution.
- 5.1 The Supplier shall not, without the Purchaser's prior written consent, disclose the Contract, or any provision thereof, or any specification, plan, drawing, pattern, sample, or information furnished by or on behalf of the Purchaser in connection therewith, to any person other than a person employed by the Supplier in the performance of the Contract. Disclosure to any such employed person shall be made in confidence and shall extend only as far as may be necessary for purposes of such performance.
- 5.2 The Supplier shall not, without the Purchaser's prior written consent, make use of any document or information enumerated in GCC Sub-Clause 5.1 except for purposes of performing the Contract.

- 2. Application
- 3. Country of Origin

- 4. Standards
- 5. Use of
 Contract
 Documents
 and
 Information;
 Inspection and
 Audit

- 5.3 Any document, other than the Contract itself, enumerated in GCC Sub-Clause 5.1 shall remain the property of the Purchaser and shall be returned (all copies) to the Purchaser on completion of the Supplier's performance under the Contract if so required by the Purchaser.
- 5.4 In accordance with the applicable Iraqi laws, the Supplier shall permit the Purchaser through the competent authorities to inspect the Supplier's offices and/or the accounts and records of the Supplier and its subcontractors relating to the performance of the Contract, and to have such accounts and records audited by auditors. The Supplier's attention is drawn to Clause 23, which provides, inter alia, that acts intended to materially impede the exercise of the Purchaser's inspection and audit rights provided for under this Sub-Clause constitute a prohibited practice subject to contract termination as well as to a determination of ineligibility pursuant to the Iraqi's prevailing sanctions procedures in Iraq.
- 6.1 If required under the Applicable Law, Goods supplied under the Contract shall be registered for use in the Iraq. The Purchaser undertakes to cooperate with the Supplier to facilitate registration of the Goods for use in the Iraq.
- 6.2 Unless otherwise **specified in the SCC**, the Contract shall become effective on the date ("the Effective Date") that the Supplier receives written notification from the competent authority in Iraq that the Goods have been registered for use in Iraq.
- 7.1 The Supplier shall indemnify the Purchaser against all third-party claims of infringement of patent, trademark, or industrial design rights arising from use of the Goods or any part thereof in Iraq.
- 8.1 Within 14 days, or twenty-nine (29) days in case of Complaints and Appeals raised by unsuccessful Bidders, of receipt of the notification of Contract award, the successful Bidder shall furnish to the Purchaser the performance security of 5% of Contract Price. If rules and regulations of Republic of Iraq grant exemption to Public Companies of State and Public Sector, they are accordingly exempted of submitting Performance Security.
- 8.2 The proceeds of the performance security shall be payable to the Purchaser as compensation for any loss resulting from the Supplier's failure to complete its obligations under the Contract.
- 8.3 The performance security shall be denominated in the currency or currencies of the Contractor in a freely convertible currency acceptable to the Purchaser and chosen from the list of currencies from which the Central Bank of Iraq quotes the rate of exchange to the Iraqi Dinar. The Security shall be an unconditional guarantee payable upon first demand and in one of the following forms:
- (a) A bank guarantee issued by accredited bank in Iraq in

- 6. Certification of Goods in Accordance with Laws of Republic of Iraq

accordance with the instructions of Central Bank of Iraq in the format provided in the Bidding Documents. In the case of a Bank Guarantee furnished from the banks located outside Iraq, it shall be endorsed and countersigned by an accredited bank in Iraq by way of back-to-back counter guarantee. Or

- (b) an irrevocable letter of credit or
- (c) Republic of Iraq bonds
- 8.4 The performance security will be discharged by the Purchaser and returned to the Supplier not later than thirty (30) days following the date of completion of the Supplier's performance obligations under the Contract, including any warranty obligations. The performance security shall be released after the final certificate regarding satisfactory completion of Supplier's performance obligations has been issued and final payment settlements have been done.

9. Inspections and Tests

10. Packing

9.1 The Purchaser or its representative shall have the right to inspect and/or to test the Goods to confirm their conformity to the Contract specifications. The SCC and the Technical Specifications shall specify what inspections and tests the Purchaser requires and where they are to be conducted. The Purchaser shall notify the Supplier in writing, in a timely manner, of the identity of any representatives retained for these purposes.

9.2 As specified in the SCC.

- 9.3 Nothing in GCC Clause 8 shall in any way release the Supplier from any warranty or other obligations under this Contract.
- 10.1 The Supplier shall provide such packing of the Goods as is required to prevent their damage or deterioration during transit to their final destination, as indicated in the Contract. The packing shall be sufficient to withstand, without limitation, rough handling during transit and exposure to extreme temperatures, salt, and precipitation during transit and open storage. Packing case size and weights shall take into consideration, where appropriate, the remoteness of the Goods' final destination and the absence of heavy handling facilities at all points in transit.
- 10.2 The packing, marking, and documentation within and outside the packages shall comply strictly with such special requirements as shall be expressly provided for in the Contract, including additional requirements, if any, specified in the SCC or Technical Specifications, and in any subsequent instructions ordered by the Purchaser.
