	Clause 21.1 of the instructions to bidders.
	All pages of the original of each Bid shall be marked with the bid opening committee stamp and the bid opening committee members shall sign on all pages of the price schedules of the original of each Bid.
	23.4 Bids (and amendments sent pursuant to ITB Sub-Clause 22.2) that are not opened and read out at bid opening shall not be considered further for evaluation, irrespective of the circumstances.
	23.5 The Contracting Entity will prepare minutes of the bid opening at the end of the opening session, with the here above mentioned information of ITB Sub-Clauses 23.1, 23.2, 23.4, and 23.6 and including in minimum the following information about:
	- sealing and stamping of the envelopes;
	- the price of the bid (per lot) if any, including any discounts, any conditional prices or any other bid discounts;
	- marking clearly any alteration, erasure, correction made by the Bidder on the prices schedules, signed by the head and the members of the Bid Opening Committee
	- slashing un-priced items with horizontal lines; along with the signature of the chairman and members of the Bid Opening Committee
	- the Bidder's signatures on the Bid Submission Form and other attached Bid Forms and of every page of the price schedules;
	- number of pages of each Bid;
	- any other relevant remarks and reservations made by the Bidder on the Bid;
	- any other remarks and general description and highlights to be made by the Committee on any attachments to the Bid.
	All Bid's content and attachments will be initialled marked by the Bids Opening Committee. All the pages of the quoted Price Schedule of the Bidders shall be signed by the chairman and members of the Committee.
	23.6 The Bidder's representatives who are present shall be requested to sign the minutes with the right to add any comment on the performance of the Committee. The omission of a Bidder's signature on the minutes shall not invalidate the content and effect of the minutes. The minutes shall be distributed to all Bidders who wish to retain its copy.
	23.7 All Bids' prices, technical specifications, and implementation periods will be officially placed on the contracting entity's bill board while stating that these are to be analysed and verified further.
	23.8 The Bids will be referred to the Bid Evaluation and Analysis Committee after having approval of the Head of the Contracting Entity.

24. Clarification of Bids	24.1 During evaluation of the bids, only the Contracting Entity (Bid Evaluation and Analysis Committee) may, at its discretion, ask the Bidder for a clarification of its bid. The request for clarification and the response shall be in writing, and no change in the prices or substance of the bid shall be sought, offered, or permitted, except to correct arithmetic errors identified by the Contracting Entity in the evaluation of the bids, in accordance with ITB Sub-Clause 27.1.
	If a Bidder does not provide clarifications of its bid by the date and time set in the Contracting Entity's request for clarification, its bid may be rejected.
25. Confidentiality	25.1 Information relating to the examination, clarification, evaluation, and comparison of bids, and recommendations for the award of a Contract shall not be disclosed to bidders or any other persons not officially concerned with such process until the notification of Contract award is made to all Bidders.
	25.2 Any effort by the bidder to influence the Contracting Entity (Bid Evaluation and Analysis Committee) in the Contracting Entity's bid evaluation, bid comparison, or contract award decisions may result in the rejection of the Bidder's bid.
	25.3 From the time of bid opening to the time of Contract award, if any Bidder wishes to contact the Contracting Entity on any matter related to its bid, it shall do so in writing.
26. Initial auditing of bids and determining its response to the tender documents	26.1 The Contracting Entity (Bid Evaluation and Analysis Committee) will examine the bids to determine whether they are complete, whether any computational errors have been made, whether required Bid Guarantee have been submitted, whether the documents have been properly signed, and whether the bids are generally in order.
	26.2 The contracting entity (Bid Evaluation and Analysis Committee) can accept any minor formalities, inconsistencies or minor deviations in the bid, if this does not constitute a fundamental deviation, provided that this acceptance does not prejudice or affect the arrangement of any bidder in the evaluation.
	26.3 Prior to the detailed evaluation, pursuant to ITB Clause 29, the Contracting Entity (Bid Evaluation and Analysis Committee) will determine whether each bid is of acceptable quality, is complete, and is substantially responsive to the Tender documents. For purposes of this determination, a substantially responsive bid is one that conforms to all the terms, conditions, and specifications of the Tender documents without material deviations, exceptions, objections, conditionality, or reservations. A material deviation, exception, objection, conditionality, or reservation is one:
	(1) that limits in any substantial way the scope, or quality of the (drugs and vaccines) and related Services;

	(2) that limits, in any substantial way that is inconsistent with the Tender documents, the Contracting Entity's rights or the successful Bidder's obligations under the Contract; and
	(۳) that the acceptance of which would unfairly affect the competitive position of other Bidders who have submitted substantially responsive bids.
	26.4 If a bid is not substantially responsive, it will be rejected by the Contracting Entity (Bid Evaluation and Analysis Committee) and may not subsequently be made responsive by the Bidder by correction of the nonconformity. The Contracting Entity's determination of a bid's responsiveness is to be based on the contents of the bid itself
27. Correction of Errors	27.1 Arithmetical errors will be rectified as follows. If there is a discrepancy between the unit price and the total price that is obtained by multiplying the unit price and quantity, the unit or subtotal price shall prevail. If there is a discrepancy between subtotals and the total price, the total price shall be corrected. If there is a discrepancy between words and figures, the amount in words will prevail. If a Bidder does not accept the correction of errors, its bid will be rejected. If the Bidder that submitted the lowest evaluated bid does not accept the correction of errors, its Bid Guarantee value shall be forfeited.
28. Conversion to Single Currency	28.1 In order to facilitate the procedures of analysis and comparison, the contracting entity (Bid Evaluation and Analysis Committee) shall transfer all bid prices submitted in different currencies to the Iraqi dinar, using the exchange rate approved for similar sales issued by the central bank or a commercial bank in Iraq.
	28.2 The currency selected for converting bid prices to a common base for the purpose of evaluation to common currency in Iraqi Dinar as on the date of Bid opening.
29. Evaluation and Comparison of Bids	29.1 The Contracting Entity (Bid Evaluation and Analysis Committee) will evaluate and compare the bids that have been determined to be substantially responsive, pursuant to ITB Clause 26.
	29.2 In order to compare and evaluate bids and determine the ranking of candidates, the comparison of the responsive Bids shall be carried out on Delivery Duty Paid (DDP) End-users' site basis / Free Delivery at End-users' Site basis..
	29.3 In order to compare and evaluate bids and determine the ranking of candidates, the following will be calculated:
	<ul style="list-style-type: none"> • The prices of domestic (drugs and vaccines) or those of foreign origin located within Iraq, as brought out in

	<p>ITB Sub-Clause 14.3. and stipulated in Price Schedule in format in Section IV(2),</p> <ul style="list-style-type: none"> • The price of the annual maintenance contract (Annual Maintenance Contract-AMC) as stated in the price table attached in the second section of the bid data sheet, and if the list of contract requirements and paragraph 3-14 of the instructions to bidders stipulate the necessity of providing maintenance for the years following a period within the defects •
	<ul style="list-style-type: none"> • The prices of (drugs and vaccines) offered from abroad, as per ITB Sub-Clause 14.3.2 and as stipulated in Price Schedule in format in Section IV (3)
	<p>29.4 If more than one schedule (or lot) has been specified in Section VI Schedule of Requirements, the Bidders are required to quote as stipulated in ITB Sub-Clause 14.7. Bids shall be evaluated for each schedules (or lots) separately.</p>
	<p>29.5 Contracts for each schedule (or group) can be awarded separately, according to the bidder who submitted the responsive and lowest-costed bid (Lowest Evaluated Bid) as per ITB Clause 8 subject to Margin of Preference, as per Clause- 30.</p>
<p>30. Margin of Preference</p>	<p>30.1 Unless otherwise stated in Bid Data Sheet, a margin of priority shall be adopted for bids from local bidders.</p>
<p>31. Contracting Entity's Right to accept or reject all or any of the Bids</p>	<p>31.1 The Contracting Entity reserves the right to accept or reject any bid, or to annul the bidding process and reject all bids at any time prior to contract award, without thereby incurring any liability to the affected Bidder or Bidders.</p>

	In case of annulment, all bids submitted and specifically, Bid Guarantee shall be promptly returned to the Bidders together with the fees of purchasing the Tender documents as paid by the Bidders.
32. Eligibility and Qualification of bidder	32.1 The Contracting Entity will determine to its satisfaction whether the Bidder that is selected as being eligible and having submitted the lowest evaluated responsive bid is qualified to perform the Contract satisfactorily, in accordance with the criteria listed in ITB Sub-clause 8.1.
	32.2 The determination will evaluate the Bidder's financial, technical, and production capabilities. It will be based on an examination of the documentary evidence of the Bidder's qualifications submitted by the Bidder, pursuant to ITB Sub-Clause 8.1, as well as other information the Contracting Entity deems necessary and appropriate.
	32.3 An affirmative Qualification of bidder determination will be a prerequisite for award of the contract to the eligible and lowest evaluated Bidder schedule wise. A negative determination will result in rejection of the Bidder's bid, in which event the Contracting Entity will proceed to the next-lowest evaluated Bidder to make a similar determination of that Bidder's capabilities to perform satisfactorily.

F. Award of Contract	
33. Award Criteria	33.1 Pursuant to ITB Clauses 29, 30 and 32, the Contracting Entity will award the Contract to the eligible Bidder whose bid has been determined to be substantially responsive and has been determined to be the lowest evaluated bid, provided further that the Bidder is determined to be qualified to perform the Contract satisfactorily.
	33.2 Before the award, the Contracting Entity has to verify from the competent authorities the validation of the substantial forms provided in the Bids including the Bid Guarantee
34. Contracting Entity's Right to Amend Quantities at Time of Award	34.1 The Contracting Entity reserves the right at the time of Contract award to increase by a percentage no more than 20% or decrease no more than 15% of the value of contract (as stipulated in Bid Data Sheet) without any change in unit price or other terms and conditions.
35. Notification of Award	35.1 Prior to the expiration of the period of bid validity, the Contracting Entity will notify the successful Bidder in writing or by cable, to be subsequently confirmed in writing by registered letter, that its bid has been accepted. At the same time, the Contracting Entity shall also notify all other Bidders of the results of the awarding the bid, and shall publish the results as per the applicable Iraqi Laws identifying the bid and lot numbers and the following information: (1) name of each Bidder who submitted a Bid; (2) bid prices as read out at Bid Opening; (3) name and evaluated prices of each Bid that was evaluated; (4) name of bidders whose bids were rejected and the reasons for their rejection; and (5) name of the successful Bidder, and the Price and currency it offered, as well as the duration and summary scope of the contract awarded.
	35.2 The notification of award will constitute the formation of the Contract (initial contract) subject to settlement of Appeal by unsuccessful bidder as per ITB Clause 36.
	35.3 After submitting the contract signed by the winning bidder attached to a performance bond in accordance with Article 38 of the instructions to the bidders, the contracting entity will immediately return the bid guarantees to the unsuccessful bidders according to ITB Clause 17.
	35.4 If, after notification of award, an unsuccessful Bidder wishes to ascertain the grounds on which its bid was not selected, it shall address its request to the Contracting Entity. The Contracting Entity will promptly respond in writing to

	the unsuccessful Bidder.
36. Complaints and Appeals	The mechanism used in considering the complaints of the Bidders is adopted in accordance with the instructions for the implementation of the general government contracts in force.
37. Signing of Contract	37.1 Promptly after the Contracting Entity notifies the successful Bidder that its bid has been accepted and after lapse of the standstill period and settlement of Appeals as per ITB Clause 36 (as the case may be), the Contracting Entity will send the Bidder the Contract Form provided in Section IX of the Tender documents, incorporating all agreements between the parties and as indicated in Bid Data Sheet . The Contract has to be endorsed as indicated in Bid Data Sheet .
	37.2 The winning bidder has to sign the contract agreement and return it to the Contracting Entity within the specified period. In case of an unsuccessful Bidder's appeal as per ITB 36 the Contracting Entity has still the right to proceed with the Contract with the Successful Bidder upon finding that the contract is fully compliant and it is in the public interest not to delay the commencement of the Contract and where the cancellation of the Contract will impose great damages on the public interest.
	(a) Notifying the competent court of its decision with all details and justifications.
	(b) Securing the consent of the competent court by submitting a signed commitment to compensate for any damages that may arise in the future due to the execution of the contract, if the judgment of the competent court is contrary to the decision of the Contracting Entity.
38 Good Performance Guarantee	38.1 Within fourteen (Within the period specified for signing the contract) days of the receipt of notification of award from the Contracting Entity, or twenty nine (29 days) as of the date of receiving the notification of the award decision issued by the Contracting Entity, the successful Bidder shall submit the Good performance Guarantee in accordance with the Conditions of Contract. If rules and regulation of Republic of Iraq grants exemption to Public Companies of the state and public sectors, they are accordingly exempted of submitting Good performance Guarantee
	38.2 Upon the failure of the successful Bidder to submit the above-mentioned Good performance Guarantee or signing the Contract within the period specified under ITB 37.2, the Contracting Entity will send an official notice for the successful Bidder to sign the Contract within fifteen (15) days from receiving this notice, after this period the Contracting Entity has sufficient grounds to proceed with the annulment of the award and forfeiture of the Bid

	Guarantee of the here above declined Bidder. In that event the Contracting Entity may award the Contract to the next Bidder whose offer is substantially responsive and is determined by the Contracting Entity to be qualified to perform the Contract satisfactorily. In that case the declined Bidder will be responsible for paying the difference in the bids prices in addition to forfeiture of the Bid Guarantee These actions will be taken against the declined bidders provided they decline during their Bid validity.

	3.2 Each vial or ampoule label shall state the following:
	(a) name of the vaccine;
	(b) name of the manufacturer;
	(c) place of manufacture;
	(d) lot number;
	(e) composition;
	(f) Concentration ;
	(g) Dose mode for administration ;
	(h) expiration date;
	(i) storage temperature;

	(j) any other information that is appropriate.
	3.3 All labeling shall withstand immersion in water and remain intact.
4. Packing Requirements	4. Packing Requirements
	4.2 Printed materials: Each inner box shall contain at least (<i>number</i>) manufacturer's standard package inserts in the Arabic language if available at no extra charge; otherwise, package insert shall be in English.
	4.3 Over packing: Inner boxes shall be over packed so that the vaccine remains refrigerated as designated in Sub-Clause 2.9. The over packing shall be suitable for export handling and be in accordance with WHO Expanded Program of Immunization (EPI) Guidelines on International Packaging and Shipping of Vaccines including all measures needed to maintain required temperatures for seventy-two (72) hours. It shall have adequate insulation and sufficient refrigerant to ensure that the warmest storage temperature of the vaccine does not rise above that designated in Sub-Clause 2.9 when exposed to continuous outside temperature of +43 degrees C, nor fall below that specified of -20 degrees C during transit and for a period of at least twenty-four (24) hours after arrival at the airport destination. Additional cushioning shall be provided sufficient to protect the vials/ampoules from breakage during transit and handling.
	4.4 Exterior shipping cartons: Product and printed materials, packaged as described above, shall be packed in weather-resistant, triple-wall corrugated fiberboard cartons with a bursting test strength of not less than 1,900 kPa. The overall dimensions of the exterior shipping cartons shall be such that the product does not become damaged during transportation and storage. No shipping carton shall contain vaccine from more than one lot.
	4.5 Cold chain monitor cards: Each insulated shipping container shall include appropriate temperature-monitoring devices designated by the Contracting Entity.
	(a) At least two suitable cold chain monitor cards, as approved by the Contracting Entity, shall be packed in each transport case of vaccine.

	(b) Freeze watch indicators shall be included in each transport case at the direction of Contracting Entity.
5. Marking Requirements	5.1 All containers and invoices shall bear the following information:
	(a) the name of the vaccine;
	(b) expiration date of the vaccine;
	(c) appropriate storage temperature
	5.2 Inner boxes: The inner boxes containing vaccine vials or ampoules shall be marked with the following information in a clearly legible manner that is acceptable to the Contracting Entity:
	(a) Generic name and trade name of the vaccine;
	(b) Manufacturer's name and trade registered address;
	(c) Manufacturer's national registration number;

	(e) Composition and concentration;
	(f) Number of vials contained in box;
	(g) Expiration date (month and year in clear language, not code);
	(h) Instructions for storage and handling;
	(d) Place of manufacture (Made in _____).
	5.3 Exterior Shipping Cartons: The following information shall be stenciled or labeled on the exterior shipping cartons on two opposing sides in bold letters at least 30mm high with waterproof ink in a clearly legible manner that is acceptable to the Contracting Entity.
	(a) Generic name and trade name of the vaccine;
	(b) Lot or batch number;
	(c) Expiration date (month and year in clear language, not code);
	(d) Manufacturer's name and registered address;
	(e) Manufacturer's national registration number;
	(f) Destination airport and routing;
	(g) Consignee's name and address in full;
	(h) Consignee contact name and telephone number;

	(i) Number of vials or ampoules contained in the carton;
	(j) Gross weight of each carton (in kg);
	(k) Carton #____ of ____;
	(l) Instructions for storage and handling;
	(m) Contract number;
	Place of manufacture (Made in____)
6. Quality Control for Supply	6.1 All vaccines shall:
	(a) meet the requirements of manufacturing legislation and regulation of vaccines in the country of origin;
	(b) meet internationally recognized standards for safety, efficacy, and quality;
	(c) conform to all the specifications and related documents contain herein;
	(d) be fit for purpose expressly made known to the Bidder by the Contracting Entity;
	(e) be free from defects in workmanship and materials; and
	(f) be certified by a competent authority in the manufacturer's country according to resolution WHA 28-65(2), of the WHO release certificate.
	6.2 The Supplier will be required to submit to the Contracting Entity with each consignment;
	(a) A certificate of quality control and test results in conformity with the WHO release certificate.
	(b) Assay methodology of any or all tests if required.
	(c) Evidence of basis for expiration dating and other stability data concerning the commercial final package upon request.
	6.3 Pre-shipment inspection and testing: The Supplier will be required to provide the Purchaser or his representative with access to the product as packed for shipment at the sellers' factory and/or warehouse at a mutually agreeable time prior to shipment of the product.
	(a) The Purchaser may inspect and sample, or cause to be sampled, such product.
	(b) The Purchaser may cause independent laboratory testing to be performed as deemed necessary to ensure that the (drugs and vaccines) conform to prescribed requirements. The testing laboratory shall be of the Purchaser's choice and suitably equipped and qualified to conduct quality control test on biological products.

	(aa) deliberately destroying, falsifying, altering or concealing of evidence material to the investigation or making false statements to investigators in order to materially impede a Purchaser’s investigation into allegations of a corrupt, fraudulent, coercive or collusive practice in accordance with the applicable Iraqi laws; and/or threatening, harassing or intimidating any party to prevent it from disclosing its knowledge of matters relevant to the investigation or from pursuing the investigation, or
	(bb) acts intended to materially impede the exercise of the Purchaser’s inspection and audit rights as per the applicable Iraqi laws and as per Sub-Clause 5.4.

2. Application	2.1 These General Conditions shall apply to the extent that they are not superseded by other provisions.
3. Country of Origin	3.1 For the purposes of this article, "origin" means the place from which drugs (including pharmaceuticals) are manufactured, vaccines were grown or produced, or the place or place in which services are provided. We mean drugs (including pharmaceutical preparations) or manufactured vaccines, which are drugs (including pharmaceuticals) or that which becomes a distinctive, commercially recognized product that differs fundamentally (in basic characteristics, purpose or use) from its components, through manufacturing, processing, or balanced or substantial assembly processes (or component combinations).
	3.2 The origin of the drugs (including pharmaceutical products) or vaccines and is distinct from the nationality of the Supplier.
4. Standards	4.1 The drugs (including pharmaceutical products) or vaccines supplied under this Contract shall conform to the standards mentioned in the Technical Specifications and, when no applicable standard is mentioned, to the authoritative standards appropriate to the goods of country of origin. Such standards shall be the latest issued by the concerned institution.
5. Use of Contract Documents and Information; Inspection and Audit	5.1 The Supplier shall not, without the Purchaser's prior written consent, disclose the Contract, or any provision thereof, or any specification, plan, drawing, pattern, sample, or information submitted by or on behalf of the Purchaser in connection therewith, to any person other than a person employed by the Supplier in the performance of the Contract. Disclosure to any such employed person shall be made in confidence and shall extend only as far as may be necessary for purposes of such performance.
	5.2 The Supplier shall not, without the Purchaser's prior written consent, make use of any document or information enumerated in GCC Sub-Clause 5.1 except for purposes of performing the Contract.
	5.3 Any document, other than the Contract itself, enumerated in GCC Sub-Clause 5.1 shall remain the property of the Purchaser and shall be returned (all copies) to the Purchaser on completion of the Supplier's performance under the Contract if so required by the Purchaser.
	5.4 The supplier shall allow the buyer, through the competent authorities, to monitor and inspect his offices, files, and / or accounts and records, and he shall submit these accounts and

	<p>records for audit by authorized auditors, in accordance with the Iraqi laws in force.</p> <p>The attention of the supplier is drawn to Article 23 of the general conditions of the contract, which specifies, inter alia, that the practices aimed at impeding or obstructing the buyer or the clearly competent authorities in exercising their right to inspect and audit under this article, are prohibited practices that expose the supplier to terminate The contract and to suspend his participation in other tenders or blacklist his name according to the relevant Iraqi laws in force.</p>
6. Certification of (drugs and vaccines) in Accordance with Laws of Republic of Iraq	<p>6.1 If required under the Applicable Law, (drugs) supplied under the Contract shall be registered for use in the Iraq. The Purchaser undertakes to cooperate with the Supplier to facilitate registration of the (drugs) for use in the Iraq.</p>
	<p>6.2 Unless otherwise specified in the SCC, the Contract shall become effective on the date ("the Effective Date") that the Supplier receives written notification from the competent authority in Iraq that the drugs have been registered for use in Iraq.</p>
7. Patent Rights	<p>7.1 The Supplier shall indemnify the Purchaser against all third-party claims of infringement of patent, trademark, or industrial design rights arising from use of the goods or any part thereof in Iraq.</p>
8. Good Performance Guarantee	<p>8.1 Within the period specified for signing the contract, or twenty-nine (29) days including warning period in case of Complaints and Appeals raised by unsuccessful Bidders, of receipt of the notification of Contract award, the successful Bidder shall submit to the Purchaser the Good Performance Guarantee of 5% of Contract Price. If rules and regulations of Republic of Iraq grant exemption to Public Companies of State and Public Sector, they are accordingly exempted of submitting. Good Performance Guarantee</p>
	<p>8.2 The proceeds of the Good Performance Guarantee shall be payable to the Purchaser as compensation for any loss resulting from the Supplier's failure to complete its obligations under the Contract.</p>
	<p>8.3 The Good Performance Guarantee shall be denominated in the currency or currencies of the</p>

	<p>Contractor in a freely convertible currency acceptable to the Purchaser and chosen from the list of currencies from which the Central Bank of Iraq quotes the rate of exchange to the Iraqi Dinar. The Security shall be an unconditional guarantee payable upon demand and it shall be a bank guarantee issued by an accredited bank in Iraq in accordance with the instructions of Central Bank of Iraq in the format provided in the Tender documents. In the case of a Bank Guarantee submitted from the banks located outside Iraq, it shall be endorsed and countersigned by an accredited bank in Iraq by way of back-to-back counter guarantee</p> <p>Or an irrevocable letter of credit or Republic of Iraq bonds</p>
	<p>8.4 The Good Performance Guarantee will be discharged by the Purchaser and returned to the Supplier following the date of completion of the Supplier's performance obligations under the Contract, and expiry of the warranty period, the issuance of the satisfactory completion certificate and the final payment settlements</p>
9. Inspections and Tests	<p>9.1 The Purchaser or its representative shall have the right to inspect and/or to test the (drugs and vaccines) to confirm their conformity to the Contract specifications. The SCC and the Technical Specifications shall specify what inspections and tests the Purchaser requires and where they are to be conducted. The Purchaser shall notify the Supplier in writing, in a timely manner, of the identity of any representatives retained for these purposes.</p>
	<p>9.2 As specified in the SCC.</p>
	<p>9.3 Nothing in GCC Clause 8 shall in any way release the Supplier from any warranty or other obligations under this Contract.</p>
10. Packing	<p>10.1 The Supplier shall provide such packing of the (drugs and vaccines) as is required to prevent their damage or deterioration during transit to their final destination, as indicated in the Contract. The packing shall be sufficient to withstand, without limitation, rough handling during transit and exposure to extreme temperatures, salt, and precipitation during transit and open storage. Packing case size and weights shall take into consideration, where appropriate, the remoteness of the (drugs and vaccines)' final destination and the absence of heavy handling</p>

	facilities at all points in transit.
	10.2 The packing, marking, and documentation within and outside the packages shall comply strictly with such special requirements as shall be expressly provided for in the Contract, including additional requirements, if any, specified in the SCC or Technical Specifications, and in any subsequent instructions ordered by the Purchaser.
11. Delivery and Documents	11.1 Delivery of the Goods shall be made by the Supplier in accordance with the terms specified in the Schedule of Requirements. The details of shipping and/or other documents to be submitted by the Supplier are specified in the SCC .
	For Goods supplied from abroad: Upon shipment, the Supplier shall notify the Purchaser and the insurance company in writing the full details of the shipment including Contract number, description of the Goods, quantity, date and place of shipment, mode of transportation, and estimated date of arrival at place of destination. In the event of Goods sent by airfreight, the Supplier shall notify the Purchaser a minimum of forty-eight (48) hours ahead of dispatch, the name of the carrier, the flight number, the expected time of arrival, and the waybill number. The Supplier shall fax and then send by express courier the following documents to the Purchaser, with a copy to the insurance company:
	(1) three originals and two copies of the Supplier's invoice, showing Purchaser as [insert correct name of Purchaser for customs purposes]; the Contract number, Goods description, quantity, unit price, and total amount. Invoices shall be signed in original, marked, or sealed with the company stamp/seal; one original and two copies of the negotiable, clean, on-board through bill of lading marked "freight prepaid" and showing Purchaser as [insert correct name of Purchaser for customs purposes] and Notify Party as stated in the Contract, with delivery through to final destination as per the Schedule of Requirements and two copies of non-negotiable bill of lading, or three copies of railway consignment note, road consignment note, truck or air waybill, or multimodal transport document, marked "freight prepaid" and showing delivery through to final destination as per the Schedule of Requirements;

	(2) four copies of the packing list identifying contents of each package;
