Instructions to Bidders

A. General

1. Scope of Tender	<p>1.1 The Contracting Entity, as specified in the Bid Data Sheet (BDS) and in the Special Conditions of Contract (SCC), invites bids for the supply of (Laboratory Supplies and Equipment) as specified in the Bid Data Sheet and Contract Requirements List.</p> <p>The contract shall be financed from the amounts allocated in the budget specified in the Bid Data Sheet.</p> <p>1.2 The following terms will have the meanings specified in these tender documents: “writing” means any written or printed communication including the book / letter that is received by hand, or telex and fax; “today” means a sun day; the singular also means the plural.</p>			
2. Fraud and Corruption	<p>2.1 The Contracting Entity requires that bidders, suppliers, and contractors, their subcontractors and their staff shall observe the highest standard of ethics during the procurement and execution of contracts. In pursuance of this policy, the Contracting Entity:</p> <p>a. defines Fraud and Corruption as per the relevant applicable Iraqi laws. For the purpose of this provision, the Contracting Entity will be guided further by the definition of the terms as set forth here below:</p> <table><tr><td><p>1. “corrupt practice” is the offering, giving, receiving or soliciting, directly or indirectly, of anything of value to influence improperly the actions of another party;</p><p>2. “fraudulent practice” is any act or omission, including a misrepresentation, that knowingly or recklessly misleads, or attempts to mislead, a party to obtain a financial or other benefit or to avoid an obligation;</p></td></tr><tr><td><p>3. “collusive practice” is an arrangement between two or more parties designed to achieve an improper purpose, including to influence improperly the actions of another party;</p></td></tr><tr><td><p>4. “coercive practice” is impairing or harming, or threatening to impair or harm, directly or indirectly, any party or the property of the party to influence improperly the actions of a party;</p></td></tr></table>	<p>1. “corrupt practice” is the offering, giving, receiving or soliciting, directly or indirectly, of anything of value to influence improperly the actions of another party;</p> <p>2. “fraudulent practice” is any act or omission, including a misrepresentation, that knowingly or recklessly misleads, or attempts to mislead, a party to obtain a financial or other benefit or to avoid an obligation;</p>	<p>3. “collusive practice” is an arrangement between two or more parties designed to achieve an improper purpose, including to influence improperly the actions of another party;</p>	<p>4. “coercive practice” is impairing or harming, or threatening to impair or harm, directly or indirectly, any party or the property of the party to influence improperly the actions of a party;</p>
<p>1. “corrupt practice” is the offering, giving, receiving or soliciting, directly or indirectly, of anything of value to influence improperly the actions of another party;</p> <p>2. “fraudulent practice” is any act or omission, including a misrepresentation, that knowingly or recklessly misleads, or attempts to mislead, a party to obtain a financial or other benefit or to avoid an obligation;</p>				
<p>3. “collusive practice” is an arrangement between two or more parties designed to achieve an improper purpose, including to influence improperly the actions of another party;</p>				
<p>4. “coercive practice” is impairing or harming, or threatening to impair or harm, directly or indirectly, any party or the property of the party to influence improperly the actions of a party;</p>				

	<p>5. “obstructive practice” is</p> <p>5.1 deliberate destroying, falsifying, altering or concealing of evidence material to the investigation or making false statements to investigators in order to materially impede a Contracting Entity’s investigation into allegations of a corrupt, fraudulent, coercive or collusive practice in accordance with the applicable Iraqi laws; and/or threatening, harassing or intimidating any party to prevent it from disclosing its knowledge of matters relevant to the investigation or from pursuing the investigation; or</p>
	<p>5.2 the acts intended to materially impede the exercise of inspection and audit rights provided for under Sub-Clause 2.1 (d) below in accordance with the applicable Iraqi laws.</p>
	<p>b. the contracting entity will reject the Bid if it determines in accordance with the applicable Iraqi laws that the bidder recommended for award has, directly or through an agent, engaged in corrupt, fraudulent, collusive, coercive or obstructive practices in competing for the contract in question;</p> <p>c. the contracting entity will sanction a firm or individual in accordance with the applicable Iraqi laws, , including declaring its being ineligible,, either indefinitely or for a stated period of time, to be awarded contract if it at any time it is determined by the competent Iraqi authorities that the firm has, directly or through an agent, engaged in corrupt, fraudulent, collusive, coercive or obstructive practices in competing for, or in executing, a Contracting Entity financed contract; and</p> <p>d. the contracting entity will have the right to inspect the accounts and records and other documents relating to the bid submission and contract performance of bidders, suppliers, and contractors and their sub-contractors and to have them audited by the competent authorities in accordance to the applicable Iraqi Laws.</p>

B. The Tender documents

<p>3. Content of Tender documents</p>	<p>3.1 The Tender documents are those stated below and shall be read in conjunction with any addendum issued in accordance with ITB Clause 5:</p> <p>Section I: Instructions to Bidders (ITB)</p> <p>Section II: Bid Data Sheet (BDS)</p> <p>Section III: Evaluation and Qualification Criteria</p> <p>Section IV: Bidding Forms</p>
--	--

	<p>Section V: Eligible Countries</p> <p>Section VI: Contract Requirements List</p> <p>Section VII: General Conditions of Contract (GCC)</p> <p>Section VIII: Special Conditions of Contract (SCC)</p> <p>Section IX: Contract Forms</p>
	<p>3.2 The “Invitation for Bidding /Advertising” does not form part of the Tender documents.</p>
<p>4. Clarification of Tender documents</p>	<p>4.1 A prospective Bidder requiring any clarification of the Tender documents shall contact the Contracting Entity in writing or by cable, (the term “cable” is deemed to include electronic mail, telex, or facsimile) at the Contracting Entity’s address indicated in the Bid Data Sheet. The Contracting Entity will respond in writing to any request for clarification, for example, if the announcement period is (15) days, the inquiry shall be not less than (10) days. Copies of the Contracting Entity’s response shall be sent to all prospective Bidders who have purchased the Tender documents, (including a description of the inquiry but without identifying its source).</p> <p>4.2 In order to maintain the confidentiality of the procedures during the Bid advertisement period, information about the names and addresses of Bidders and their agents shall not be disclosed to any unconcerned party.</p>
<p>5. Amendment of Tender documents</p>	<p>5.1 At any time prior to the deadline for submission of bids, the Contracting Entity may amend the Tender documents by issuing Addendum.</p>
	<p>5.2 Any addendum thus issued shall be part of the Tender documents pursuant to ITB Sub-Clause 3.1 and shall be communicated in writing to all purchasers of the Tender documents and will be binding on them. Bidders are required to immediately acknowledge receipt of any such amendment, and it will be assumed that the information contained in the amendment will have been taken into account by the Bidder in its bid.</p>
	<p>5.3 To give prospective Bidders reasonable time in which to take the amendment into account in preparing their bids, the Contracting Entity shall extend, at its discretion, the deadline for submission of bids, in which case, the Contracting Entity will notify all Bidders by cable confirmed in writing of the extended deadline. The Contracting Entity shall announce any extension of the deadline for bid submission in same media as was done for the Short Procurement Notice of this tender</p>

C. Preparation of Bids

<p>6. Eligibility</p>	<p>6.1 This bidding process is to qualified firms from any eligible country in accordance with the applicable Iraqi laws,</p>
---	---

	including the instructions of scientific offices for the year 1999. The Firms may be excluded from bidding if:
	<p>The firms have a conflict of interest. All Bidders found to have a conflict of interest shall be disqualified. A Bidder may be considered to have a conflict of interest with one or more parties in this bidding process, if:</p> <ul style="list-style-type: none"> (1) they have a common controlling partner; or (2) they receive or have received any direct or indirect subsidy from any of them; or Attempted bribery (3) they have the same legal representative for purposes of this bid; or (4) they have a relationship with each other, directly or through common third parties, that puts them in a title to have access to information about or influence on the bid of another Bidder, or influence the decisions of the Contracting Entity regarding this bidding process; or (5) a Bidder submits more than one bid in this bidding process, either individually or as a partner in a joint venture. This will result in the disqualification of all such bids. However, this does not limit the participation of a Bidder as a subcontractor in another bid or of a firm as a subcontractor in more than one bid. or (6) a firm has been engaged by the Contracting Entity to provide specifications, and other documents to be used for the procurement of the (Laboratory Supplies and Equipment) described in these Tender documents.
	6.2 Staff of the Government and Public Sector cannot participate directly or indirectly in Public Tenders
	6.3 A firm declared Black listed or Suspended by the competent authorities shall be ineligible to bid during the period of time determined. A list in this regard is available on the website specified in Bid Data Sheet .
7. Eligibility proving documents (medical appliances) & services and their compliance with the tender documents	<p>7.1 Pursuant to ITB Clause 12, the Bidder shall submit, as part of its bid, documents establishing, to the Contracting Entity's satisfaction, the eligibility of the (Laboratory Supplies and Equipment) to be supplied under the Contract.</p> <p>7.2 The documentary evidence of the eligibility of the (Laboratory Supplies and Equipment) shall consist of a statement in the Price Schedule of the country of origin of the (Laboratory Supplies and Equipment) offered that shall be confirmed by a certificate of origin to be issued at the time of shipment and approved by the competent Iraqi authorities in the country of origin; as required by the legislation in force and as stated in the Bid Data Sheet.</p>

	7.3 The documentary evidence of conformity of (Laboratory Supplies and Equipment) as specified in Section VI Contract Requirements List may be in the form of literature, drawings, and data and shall consist of:
	a. a detailed description of the essential characteristics of the Laboratory Supplies and Equipment;
	b. an item-by-item commentary on the Contracting Entity's Technical Specifications demonstrating substantial responsiveness of the (Laboratory Supplies and Equipment) to those specifications, or a statement of deviations and exceptions to the provisions of the Technical Specifications;
	c. any other procurement-specific documentation requirement as stated in the Bid Data Sheet .
	<p>7.4 Unless the Bid Data Sheet stipulates otherwise, the (Laboratory Supplies and Equipment) to be supplied under the Contract shall be registered with the competent authority in Iraq. A Bidder who has already registered its (Laboratory Supplies and Equipment) by the time of bidding should submit a copy of the Registration Certificate with its bid. Otherwise, the winning Bidder, by the time of Contract signing, shall submit to the Contracting Entity either:</p> <p>a. a copy of the Registration Certificate of the (Laboratory Supplies and Equipment) for use in the Iraq.</p> <p>OR, if such Registration Certificate has not yet been obtained,</p> <p>b. evidence establishing to the Contracting Entity's satisfaction that the Bidder has complied with all the documentary requirements for registration as specified in the Bid Data Sheet.</p> <p>c. It is permissible to exclude from registration according to the powers of the Minister of Health.</p> <p>7.4.1 The Contracting Entity shall at all times cooperate with the winning Bidder to facilitate the registration process within Iraq. The agency and contact person able to provide additional information about registration are identified in the Bid Data Sheet.</p> <p>7.4.2 a. If the (Laboratory Supplies and Equipment) of the winning Bidder have not been registered in Iraq at the time of Contract signing, then the Contract shall become effective upon such date as the Certificate of Registration is obtained.</p> <p>b. The Minister of Health may exclude the winning bidder from submitting the Laboratory Supplies and Equipment registration certificate upon signing the contract, in which case the contract shall be valid.</p>
	7.5 For purposes of the commentary to be submitted pursuant to ITB Sub-Clause 7.3 (b) above, the Bidder shall note that standards as well as references to brand names designated by the Contracting Entity in its Technical Specifications are intended to be descriptive only and not restrictive. The Bidder may substitute alternative standards, brand names, and/or catalog numbers in

	its bid, provided that it demonstrates to the Contracting Entity's satisfaction that the substitutions ensure substantial equivalence to those designated in the Technical Specifications.
8. Qualifications of the Bidder	8.1 The Bidder shall provide documentary evidence to establish to the Contracting Entity's satisfaction that:
	a. the Bidder has the financial, technical, and production capability necessary to perform the Contract, meets the Qualification Criteria specified in Section III Evaluation and Qualification Criteria .
	b. in the case of a Bidder offering to supply (Laboratory Supplies and Equipment), identified in the Bid Data Sheet, that the Bidder did not manufacture or otherwise produce, the Bidder has been duly authorized by the manufacturer or producer of such (Laboratory Supplies and Equipment) to supply the (Laboratory Supplies and Equipment) in Iraq as per format of Manufacturer's Authorization Form in Section IV;
	c. in the case of a Bidder who is not doing business within Iraq (or for other reasons will not itself carry out service/maintenance obligations), the Bidder is or will be (if awarded the Contract) represented by a local service/maintenance supplier in Iraq equipped and able to carry out the Bidder's warranty obligations prescribed in the Conditions of Contract and/or Technical Specifications; and
	d. the Bidder meets the qualification criteria listed in the specified in Section III Evaluation and Qualification Criteria (see additional clauses of Section III for Laboratory Supplies and Equipment). The necessity for companies to submit a no-objection letter issued by the General Tax Authority when they participate in the announced overtures
9. One Bid per Bidder	9.1 A firm shall submit only one bid as an individual Bidder and in accordance with ITB 6.1.a.
10. Cost of Bidding	10.1 The Bidder shall bear all costs associated with the preparation and submission of its bid, and the Contracting Entity will in no case be responsible or liable for those costs, regardless of the conduct or outcome of the bidding process.
11. Language of Bid	11.1 The bid and all the correspondence and the documents exchanged between the Bidder and the Contracting Entity shall be prepared in the language referred to in the Bid Data Sheet. The Bidder may submit any of the literature related thereto which constitute part of its bid in another language. The texts of the bid language shall be accompanied with an accurate translation. The translation will be adopted for the purpose of interpreting the bid.
12. Documents Constituting the Bid	12.1 The bid submitted by the Bidder shall comprise the following:

	a. duly filled-in Bid Form and Price Schedule, in accordance with the forms indicated in Section IV;
	b. original form of Bid guarantee in accordance with the provisions of ITB Clause 17 (Bid guarantee);
	c. written power of attorney authorizing the signatory of the bid to commit the Bidder;
	d. documentary evidence establishing to the Contracting Entity's satisfaction, and in accordance with Documents required as per ITB Clause 7 and that they conform to the Tender documents;
	e. documentary evidence establishing to the Contracting Entity's satisfaction, and in accordance with Qualification of the Bidder as per ITB Clause 8 that the Bidder is qualified to perform the Contract if its bid is accepted.
	f. Bidder's voucher of purchasing the Bidding Document.
	g. if applicable as per ITB Sub-clause 8.1(b), Manufacturer's Authorization Form as per format in Section IV
	h. any other required document shall be specified in the Bid Data Sheet .
13. Bid Submission Form	13.1 The Bidder shall complete the Bid Form and the appropriate Price Schedule provided under Section – IV indicating the Laboratory Supplies and Equipment to be supplied, a brief description of the (Laboratory Supplies and Equipment), their country of origin, quantity, and prices.
14. Bid Prices and Discounts	<p>14.1 The Bidder shall quote their prices as per format of Price Schedule provided under Section IV all the specified components of prices shown therein. All the columns shown in the Price Schedule shall be filled up as required.</p> <p>14.2 The quoted prices for (Laboratory Supplies and Equipment) offered to be equipped domestically goods or (Laboratory Supplies and Equipment) of foreign origin located in Iraq shall be quoted in the Price Schedule given under Section IV (2). The quoted prices for (Laboratory Supplies and Equipment) to be imported from abroad, shall be quoted in the Price Schedule given under Section IV (3).</p> <p>14.3 While filling up the columns of the Price Schedule, the following aspects shall be noted for compliance:</p> <p>14.3.1 For domestic (Laboratory Supplies and Equipment) or (Laboratory Supplies and Equipment) of foreign origin located in Iraq, the prices under column 5 in the corresponding Price Schedule in at Section IV (2) shall be entered separately in the following manner:</p> <p>Column 5(a): The price of (Laboratory Supplies and Equipment), quoted ex-factory/</p>

The Bidder may express the bid price of the (Laboratory Supplies and Equipment) to be

	supplied from abroad as indicated in the Bid Data Sheet .
16. Bid Validity Period	16.1 Bids shall remain valid for the period stipulated in the Bid Data Sheet after the date of bid submission specified in ITB Clause 20. A bid valid for a shorter period shall be rejected by the Contracting Entity as nonresponsive.
	16.2 In exceptional circumstances, prior to expiry of the original bid validity period, the Contracting Entity may request that the Bidders extend the period of validity for a specified additional period. The request and the responses thereto shall be made in writing. A Bidder may refuse the request without forfeiting its Bid guarantee. The Bidder agreeing to the request will not be required or permitted to amend its bid, but will be required to extend the validity of its Bid guarantee for the period of the extension.
17. Bid guarantee	<p>17.1 The Bidder shall submit as part of its bid a Bid guarantee in the form of an unconditional guarantee and payable upon first demand and in any of the following modes or in the form of:</p> <ul style="list-style-type: none"> a. letter of credit as per the form attached in Section IV, b. certified check c. or any other form specified by the Contracting Entity in the Bid Data Sheet <p>The amount of the Bid guarantee shall be as stipulated in the Bid Data Sheet and in the Contract Requirements List in Section VI.</p>
	17.2 The Bid guarantee shall be addressed to the Contracting Entity stating the number and title Bidding No./LOI and shall remain valid for a period of 28 days beyond the validity period for the bid, and beyond any extension subsequently requested under Sub-Clause 16.2.
	17.3 The Bid guarantee shall, at the Bidder's option, be in the form of either a Letter of Credit or a Bank Guarantee from an accredited bank in Iraq and in accordance with the instructions of Central Bank of Iraq in the format provided in the Tender documents or any other form specified by the contracting party in the Bid Data Sheet or Bonds issued by the Republic of Iraq. In the case of Bank Guarantee submitted from the banks outside Iraq, it shall be endorsed and countersigned by accredited bank in Iraq by way of back-to-back counter guarantee.
	17.4 The contracting entity will (on the recommendation of the study and analysis committees) reject any bid

	that does not accompany it with an acceptable bid guarantee, as the bid does not respond to the conditions
	17.5 Upon the approval of the Contracting entity, the Contracting Entity has the right to release the Bid guarantees of the non-winning Bidders that are unlikely to be awarded the Contract before the end of the Bid Validity and after the referral recommendation has been made. In such a case, the Bid Securities of the first three (3) candidates Bidders shall be retained in view of ITB Sub-Clause 38.2
	17.6 The bid guarantee of the winning Bidder will be returned when the Bidder has signed the Contract and submitted the required Good Performance Guarantee.
	17.7 The bid guarantee may be forfeited <ul style="list-style-type: none"> a. if the Bidder withdraws its bid after closing the tender, except as provided in ITB Sub-Clauses 16.2 and 22.3; or
	<ul style="list-style-type: none"> b. in the case of a winning bidder, if the Bidder fails within the specified time limit to: <ul style="list-style-type: none"> 1. sign the contract, or 2. submit the required good Performance Guarantee.
	c. If an unsuccessful bidder submits a complaint or objection in accordance with ITB 36, and then it becomes clear to the competent authorities that this complaint or this objection was for wrong or unjustified reasons; The value of damages resulting from this delay in signing the contract will be compensated according to the Iraqi laws and procedures in force.
	<p>17.8 If the bid guarantee is not provided by some Bidders, due to exemption provided by the Iraqi applicable laws, as in the case of Public Companies or others as specified in Bid Data Sheet Sub-Clause 17.1, and</p> <ul style="list-style-type: none"> a. if such a Bidder withdraws its bid during the period of bid validity specified by the Bidder on the Bid Submission Form after closing the tender, except as provided in ITB Sub-Clause 16.2, or b. if such a Bidder is nominated as a winning Bidder and fails to: sign the Contract in accordance with ITB Clause 37; or submit a Good Performance Guarantee in accordance with ITB Clause 38; <p>the Contracting Entity may, if provided for in the Bid Data Sheet, declare the Bidder disqualified to be awarded a contract by the Contracting Entity and proceed with the administrative actions as stated in the Bid Data Sheet.</p>

18. Bid Form and Signature	18.1 The Bidder shall prepare an original of the bid, and may include a compact disk of the technical offer. The financial offer shall be submitted in one original (paper) form.
	18.2 The original and all copies of the bid, each consisting of the documents listed in ITB Sub-Clause 12.1, shall be typed or written in indelible ink and shall be signed by the Bidder or a person or persons duly authorized to bind the Bidder to the Contract. The authorization shall be indicated as specified in the Bid Data Sheet by those legally authorized to signed, which pursuant to ITB Sub-Clause 12.1 (c) shall accompany the bid. The Bidder has to ensure the signature of the Bid Submission Form and of every page of the Price Schedules and the attached documents to the Bid by the person signing the Bid. Noting that all pages of the bid where entries or corrections on entries have been made by the Bidder shall be signed or initialed by the person signing the bid. . The additions and corrections must be submitted by the bidder, and the signature should be in the first name or initials ,Prices shall be incorporated by the Bidder in words and figures as required in the Price Schedules. Any other requirement is specified in the Bid Data Sheet .
	18.3 The Bid shall contain no interlineations, erasures, or amendments to the Tender documents, except to correct errors made by the Bidder in preparing the Bid Forms and where accordingly such corrections shall be signed and initialed by the authorized person or persons signing the bid.

D. Delivery of Bids

19. Sealing and Marking of Bids	<p>19.1</p> <ul style="list-style-type: none"> a. Bidders may always submit their bids by express mail, express courier or by hand as per the Bid Data Sheet. b. The bidder must submit at least two additional copies of the tender's bid in addition to the original bid, which must include all the required documents, which will be approved and referenced, provided that all copies are (stamped with a live stamp from the company) Specifies the number of copies in the bid data sheet. c . The bidder puts the original copy (in a separate envelope) and is marked with the phrase (original copy) and each copy of the additional copies is placed in a separate envelope, and each envelope is marked with the phrase (an additional copy) and these envelopes (the original and additional) are placed in one envelope d. The Bid Opening Committee shall hand over the original copy of the bid to the head of contract formation to keep it and refer to it in the event of discrepancies and contradictions in the copies and to protect the bid from damage or damage that occurs during the bid evaluation process. Additional copies shall be delivered to the Analysis Committee.
--	---

	<p>19.2 The inner and outer envelopes shall:</p> <ul style="list-style-type: none">a. bear the name and address of the Bidder and Bidder stamp on four corners;b. be addressed to the Contracting Entity at the address given in the Bid Data Sheet;c. bear the Tender, Tender number. and IFB number indicated in the Bid Data Sheet; andd. bear a statement “DO NOT OPEN BEFORE [date and time]” to be completed
--	--

	with the time and date specified in the Bid Data Sheet relating to ITB Sub-Clause 20.1.
	19.3 If the outer envelope is not sealed, stamped and marked as required by ITB Sub-Clause 19.2 and in accordance with the applicable Iraqi laws, the Contracting Entity will assume no responsibility for the misplacement or premature opening of the bid.
20. Deadline for Submission of Bids	20.1 Bids shall be received by the Contracting Entity at the address specified in ITB Sub-Clause 19.2 (b) no later than the time and date specified in the Bid Data Sheet . A receipt will be provided by the Contracting Entity against each Bid submitted. One copy of the receipt will be for the Bidder, and the second copy will be kept by the Contracting Entity for a further reference
	20.2 The Contracting Entity may, at its discretion and before the deadline, extend the deadline for the submission of bids by amending the Tender documents in accordance with ITB Sub-Clause 5.3, in which case all rights and obligations of the Contracting Entity and Bidders previously subject to the deadline will thereafter be subject to the deadline as extended.
21. Late Bids	21.1 Any bid received by the Contracting Entity after the deadline for submission of bids prescribed in ITB Clause 20 will be rejected.
22. Amendment and Withdrawal of Bids	22.1 The Bidder may amend or withdraw its bid after submission, provided that written notice of the amendment, or withdrawal of the bids duly signed by an authorized representative with a valid proof of the authorization, is received by the Contracting Entity prior to the deadline prescribed for submission of bids.
	22.2 The Bidder's amendment or substitution shall be prepared, sealed, marked, and dispatched prior to the deadline for submission of bids and as follows: <ul style="list-style-type: none"> a. The Bidder shall provide an original and the number of copies specified in Bid Data Sheet article 19.1 of any amendments to its bid, clearly identified as such, in two inner envelopes duly marked "BID AMENDMENT-ORIGINAL" or "BID SUBSTITUTION-ORIGINAL" and "BID AMENDMENT-COPIES" or "BID SUBSTITUTION-COPIES." The inner envelopes shall be sealed in an outer envelope, which shall be duly marked "BID AMENDMENT" or "BID SUBSTITUTION." b. Other provisions concerning the marking and dispatch of bid amendments shall be in accordance with ITB Sub-Clauses 19.2 and 19.3.

	<p>22.3 A Bidder wishing to withdraw its bid shall notify the Contracting Entity in writing prior to the deadline prescribed for bid submission. A withdrawal notice shall be received prior to the deadline for submission of bids and shall:</p> <ol style="list-style-type: none"> 1. be addressed to the Contracting Entity at the address named in ITB Sub-Clause 19.2 (b) 2. bear the Invitation for Bids (IFB) title and number indicated in named in ITB Sub-Clause 19.2 (c) and the words “BID WITHDRAWAL NOTICE” and 3. be accompanied by a valid written power of attorney authorizing the signatory of the withdrawal notice to withdraw the bid.
	<p>22.4 Bids requested to be withdrawn in accordance with ITB Sub-Clause 22.3, shall be returned unopened to the Bidders.</p>
	<p>22.5 No bid may be withdrawn, substituted, or modified in the interval between the bid submission deadline and the expiration of the bid validity period specified in ITB Clause 16. Withdrawal of a bid during this interval may result in the forfeiture of the Bidder’s bid guarantee, pursuant to ITB Sub-Clause 17.7.</p>

E. Opening and Evaluation of Bids

<p>23. Opening of Bids</p>	<p>23.1 The Contracting Entity (Bid Opening Committee) will open all bids, including withdrawal notices and amendments, in public, in the presence of Bidders or representatives (authorized) who choose to attend, at the time, on the date, and at the place specified in the Bid Data Sheet. Bidders or representatives shall sign a register as proof of their attendance.</p>
	<p>23.2 Envelopes marked “WITHDRAWAL” shall be read out and the envelope with the corresponding bid shall not be opened but returned to the Bidder. No bid withdrawal notice shall be permitted unless the corresponding withdrawal notice with a valid authorization is read out at bid opening. Next, envelopes marked “SUBSTITUTION” shall be opened and read out and exchanged with the corresponding bid being substituted, and the substituted bid shall not be opened, but returned to the Bidder. No bid substitution shall be permitted unless the corresponding substitution notice contains a valid authorization to</p>

	request the substitution and is read out at bid opening. Envelopes marked "AMENDMENT" with a valid authorization shall be read out and opened with the corresponding bid.
	<p>23.3 All other Bids shall be opened one at a time, reading out: the name of the Bidder and the Bid Price of each item or schedule (or lot) including any discounts, and indicating whether there is: the presence or absence of a bid guarantee, if required; the presence or absence of requisite powers of attorney; and any other such details as the Contracting Entity may consider appropriate. No bid shall be rejected at bid opening.</p> <p>All pages of the original of each Bid shall be stamped with the bid opening committee stamp and the bid opening committee members shall sign on all pages of the price schedules of the original of each Bid.</p>
	23.4 Bids (and amendments sent pursuant to ITB Sub-Clause 22.2) that are not opened and read out at bid opening shall not be considered further for evaluation, irrespective of the circumstances.
	<p>23.5 The Contracting Entity will prepare minutes of the bid opening at the end of the opening session, with the here above mentioned information of ITB Sub-Clauses 23.1, 23.2, 23.4, and 23.6 and including in minimum the following information about:</p> <ul style="list-style-type: none"> - sealing and stamping of the envelopes; - the price of the bid (per lot) if any, including any discounts, any conditional prices or any other bid discounts; - marking clearly any alteration, erasure, correction made by the Bidder on the prices schedules, signed by the head and the members of the Bid Opening Committee - slashing un-priced items with horizontal lines; along with the signature of the chairman and members of the Bid Opening Committee - the Bidder's signatures on the Bid Submission Form and other attached Bid Forms and of every page of the price schedules; - number of pages of each Bid; - any other relevant remarks and reservations made by the Bidder on the Bid; - any other remarks and general description and highlights to be made by the Committee on any attachments to the Bid. <p>All Bid's content and attachments will be initialled by the Bids Opening Committee. All the pages of the quoted Price Schedule of the Bidders shall be signed by the chairman and members of the Committee.</p>
	23.7 The Bidder's representatives who are present shall be requested to sign the minutes with the right to add any comment on the performance of the Committee. The omission of a Bidder's signature on the minutes shall not invalidate the content and effect of the minutes. The minutes shall be distributed to all Bidders who wish to retain its copy.

	<p>23.8 All Bids' prices, technical specifications, and implementation periods will be officially placed on the Contracting entity's bill board while stating that these are to be analyzed and verified further.</p> <p>23.9 The minutes of the bid opening committee and additional copies of the bid are referred to the bid analysis and evaluation committee, with the head of contract formation handing over the original bid copy and informing the head of the contracting authority.</p>
24. Clarification of Bids	<p>24.1 During evaluation of the bids, only the Contracting Entity (Bid Evaluation and Analysis Committee) may, at its discretion, ask the Bidder for a clarification of its bid. The request for clarification and the response shall be in writing, and no change in the prices or substance of the bid shall be sought, offered, or permitted, except to correct arithmetic errors identified by the Contracting Entity in the evaluation of the bids, in accordance with ITB Sub-Clause 27.1.</p> <p>If a Bidder does not provide clarifications of its bid by the date and time set in the Contracting Entity's request for clarification, its bid may be rejected.</p>
25. Confidentiality	<p>25.1 Information relating to the examination, clarification, evaluation, and comparison of bids, and recommendations for the award of a Contract shall not be disclosed to bidders or any other persons not officially concerned with such process until the notification of Contract award is made to all Bidders.</p>
	<p>25.2 Any effort by the bidder to influence the Contracting Entity (Bid Evaluation and Analysis Committee) in the Contracting Entity's bid evaluation, bid comparison, or contract award decisions may result in the rejection of the Bidder's bid.</p>
	<p>25.3 From the time of bid opening to the time of Contract award, if any Bidder wishes to contact the Contracting Entity on any matter related to its bid, it should do so in writing.</p>
26. Initial auditing of bids and determination of its responsiveness	<p>26.1 The Contracting Entity (Bid Evaluation and Analysis Committee) will examine the bids to determine whether they are complete, whether any computational errors have been made, whether required Bid Securities have been submitted, whether the documents have been properly signed, and whether the bids are generally in order.</p>
	<p>26.2 The Contracting Entity (Bid Evaluation and Analysis Committee) may waive any minor informality, nonconformity, or irregularity in a bid that does not constitute a material deviation, provided such waiver does not prejudice or affect the relative ranking of any Bidder.</p>
	<p>26.3 Prior to the detailed evaluation, pursuant to ITB Clause 29, the Contracting Entity (Bid Evaluation and Analysis Committee) will determine whether each bid is of acceptable quality, is complete, and is substantially responsive to the Tender documents. For purposes of this determination, a substantially responsive bid is one that conforms to all the terms, conditions, and specifications of the Tender documents without material deviations, exceptions, objections, conditionality, or reservations. A material deviation, exception, objection, conditionality, or reservation is one:</p> <ol style="list-style-type: none"> 1. that limits in any substantial way the scope, or quality of the (Laboratory

	Supplies and Equipment)
--	-------------------------

	<p>and related Services;</p> <p>2. that limits, in any substantial way that is inconsistent with the Tender documents, the Contracting Entity's rights or the winning Bidder's obligations under the Contract; and</p> <p>3. that the acceptance of which would unfairly affect the competitive title of other Bidders who have submitted substantially responsive bids.</p>
	<p>26.4 If a bid is not substantially responsive, it will be rejected by the Contracting Entity (Bid Evaluation and Analysis Committee) and may not subsequently be made responsive by the Bidder by correction of the nonconformity. The Contracting Entity's determination of a bid's responsiveness is to be based on the contents of the bid itself</p>
27. Correction of Errors	<p>27.1 Arithmetical errors will be rectified as follows. If there is a discrepancy between the unit price and the total price that is obtained by multiplying the unit price and quantity, the unit or subtotal price shall prevail. If there is a discrepancy between subtotals and the total price, the total price shall be corrected. If there is a discrepancy between words and figures, the amount in words will prevail. If a Bidder does not accept the correction of errors, its bid will be rejected. If the bidder refuses to correct the mathematical errors, his bid will be rejected and the value of his bid guarantee will be forfeited..</p>
28. Conversion to Single Currency	<p>28.1 To facilitate evaluation and comparison, the Contracting Entity (Bid Evaluation and Analysis Committee) will convert all bid prices expressed in the various currencies in which they are payable to Iraqi Dinar at the selling exchange rate established for similar transactions by the Central Bank or a commercial bank in Iraq</p>
	<p>28.2 The currency selected for converting bid prices to a common base for the purpose of evaluation to common currency in Iraqi Dinar as on the date of Bid opening.</p>
29. Evaluation and Comparison of Bids	<p>29.1 The Contracting Entity (Bid Evaluation and Analysis Committee) will evaluate and compare the bids that have been determined to be substantially responsive, pursuant to ITB Clause 26.</p>
	<p>29.2 For comparison for ranking purpose for evaluation, the comparison of the responsive Bids shall be carried out on Delivery Duty Paid (DDP) End-users' site basis / Free Delivery at End-users' Site basis. The quoted AMC price, if applicable as per Contract Requirements List as per ITB Sub-Clause 14.3.3 for subsequent stipulated years after warranty period, The annual maintenance contract (AMC) price will also be calculated when comparing the bid prices and determining the order of the candidates.</p>

	<p>29.3 for comparing/evaluating of Bids, and ranking of candidates, the following will be calculated:</p> <ul style="list-style-type: none"> • The prices of domestic (Laboratory Supplies and Equipment) or those of foreign origin located within Iraq, as brought out in ITB Sub-Clause 14.3.1 and stipulated in Price Schedule in format in Section IV(2), • The prices of (Laboratory Supplies and Equipment) offered from abroad, as per ITB Sub-Clause 14.3.2 and as stipulated in Price Schedule in format in Section IV(3) • Annual Maintenance Contract (AMC) price, as per the attached prices schedule in section IV(4) and in case the list of contracting requirements and ITB 14.3.3 stipulates on the necessity to insure the maintenance for the years following the defects warranty period.
	<p>29.4 The rate of quoted Annual Maintenance Contract (AMC), if applicable, as per Section VI Contract Requirements List, will be calculated for comparison/ranking purpose at (Net Present Value - NPV) considering discount rate as brought out in Bid Data Sheet.</p>
	<p>29.5 If more than one schedule (or lot) has been specified in Section VI Contract Requirements List, the Bidders are required to quote as stipulated in ITB Sub-Clause 14.7. Bids shall be evaluated for each schedules (or lots) separately.</p>
	<p>29.6 The Contracts may be awarded for each schedule (or group) separately by the responsive bidder with the lowest evaluated bid as per ITB Clause 8 and after the application of margin of preference according to ITB Clause 30.</p>
30. Margin of Preference	<p>30.1 Unless otherwise stated in Bid Data Sheet, a margin of preference shall be adopted for bids from local bidders.</p>
31. Contracting Entity's Right to accept or reject all or any of the Bids	<p>31.1 The Contracting Entity reserves the right to accept or reject any bid, or to annul the bidding process and reject all bids at any time prior to contract award, without thereby incurring any liability to the affected Bidder or Bidders.</p> <p>In case of annulment, all bids submitted and specifically, bid guarantees, shall be promptly returned to the Bidders together with the fees of purchasing the Tender documents as paid by the Bidders.</p>
32. Eligibility and Qualification of Bidder	<p>32.1 The Contracting Entity will determine to its satisfaction whether the Bidder that is selected as being eligible and having submitted the lowest evaluated responsive bid is qualified to perform the Contract satisfactorily, in accordance with the criteria listed in ITB Sub-clause 8.1 for ensuring its ability to carry out the contract in an accepted manner.</p>

	32.2 The determination will evaluate the Bidder's financial, technical, and production capabilities. It will be based on an examination of the documentary evidence of the Bidder's qualifications submitted by the Bidder, pursuant to ITB Sub-Clause 8.1, as well as other information the Contracting Entity deems necessary and appropriate.
	32.3 An affirmative Qualification of bidder determination will be a prerequisite for award of the contract to the eligible and lowest evaluated Bidder schedule wise. A negative determination will result in rejection of the Bidder's bid, in which event the Contracting Entity will proceed to the next-lowest evaluated Bidder to make a similar determination of that Bidder's capabilities to perform satisfactorily.

F. Award of Contract

33. Award Criteria	33.1 Pursuant to ITB Clauses 29, 30 and 32, the Contracting Entity will award the Contract to the eligible Bidder whose bid has been determined to be substantially responsive and has been determined to be the lowest evaluated bid, provided further that the Bidder is determined to be qualified to perform the Contract satisfactorily.
	33.2 Before the award, the Contracting Entity has to verify from the competent authorities the validation of the substantial forms provided in the Bids including the bid guarantee.
34. Contracting Entity's Right to Amend Quantities at Time of Award	34.1 The Contracting Entity reserves the right at the time of Contract award to increase by a percentage no more than 20% or decrease no more than 15% of the value of contract (as stipulated in Bid Data Sheet) without any change in unit price or other terms and conditions.
35. Notification of Award	35.1 Prior to the expiration of the period of bid validity, the Contracting Entity will notify the winning Bidder in writing or by cable, to be subsequently confirmed in writing by registered letter, that its bid has been accepted. At the same time, the Contracting Entity shall also notify all other Bidders of the results of the awarding the bid, and shall publish the results as per the applicable Iraqi Laws identifying the bid and lot numbers and the following information: (1) name of each Bidder who submitted a Bid; (2) bid prices as read out at Bid Opening; (3) name and evaluated prices of each Bid that was evaluated; (4) name of bidders whose bids were rejected and the reasons for their rejection; and (5) name of the winning Bidder, and the Price and currency it offered, as well as the duration and summary scope of the contract awarded.
	35.2 The notification of award will constitute the formation of the Contract (initial contract) subject to settlement of Appeal by non-winning bidder as per ITB Clause 36.

	35.3 Upon the winning Bidder's submitting of the signed Contract Form and Good Performance Guarantee pursuant to ITB Clause 38, the Contracting Entity will promptly discharge the bid guarantees of the non-winning Bidders, pursuant to ITB Clause 17.
	35.4 If, after notification of award, a non-winning Bidder wishes to ascertain the grounds on which its bid was not selected, it should address its request to the Contracting Entity. The Contracting Entity will promptly respond in writing to the non-winning Bidder.
36. Complaints and Appeals	The mechanism used in considering the complaints of the Bidders is adopted in accordance with the instructions for the implementation of the general government contracts in force.
37. Signing of Contract	37.1 Promptly after the Contracting Entity notifies the winning Bidder that its bid has been accepted and after lapse of the standstill period and settlement of Appeals as per ITB Clause 36 (as the case may be), the Contracting Entity will send the Bidder the Contract Form provided in Section IX of the Tender documents, incorporating all agreements between the parties and as indicated in Bid Data Sheet . The Contract has to be endorsed as indicated in Bid Data Sheet .
	37.2 The winning bidder has to sign the contract agreement and return it to the Contracting Entity within the specified period. In case of a non-winning Bidder's appeal as per ITB 36, the Contracting Entity has still the right to proceed with the Contract with the Winning Bidder upon finding that the contract is fully compliant and it is in the public interest not to delay the commencement of the Contract and where the cancellation of the Contract will impose great damages on the public interest. <ul style="list-style-type: none"> a. Notifying the competent court of its decision with all details and justifications. b. Securing the consent of the competent court by submitting a signed commitment to compensate for any damages that may arise in the future due to the execution of the contract, if the judgment of the competent court is contrary to the decision of the Contracting Entity.
38. Good Performance Guarantee	38.1 Within fourteen (14) days of the receipt of notification of award from the Contracting Entity, or twenty nine (29) days as of the date of receiving the notification of the award decision issued by the Contracting Entity, the winning Bidder shall submit the Good Performance Guarantee in accordance with the Conditions of Contract. If rules and regulation of Republic of Iraq grants exemption to Public Companies of the state and public sectors, they are accordingly exempted of submitting Good Performance Guarantee.
	38.2 Upon the failure of the winning Bidder to submit the above-mentioned Good Performance Guarantee or signing the Contract within the period specified under ITB 37.2, From instructions to the bidders, the Contracting

	<p>Entity will send an official notice for the winning Bidder to sign the Contract within fifteen (15) days from receiving this notice, after this period the Contracting Entity has sufficient grounds to proceed with the annulment of the award and forfeiture of the bid guarantee of the here above declined Bidder. In that event the Contracting Entity may award the Contract to the next lowest evaluated Bidder whose offer is substantially responsive and is determined by the Contracting Entity to be qualified to perform the Contract satisfactorily. In that case the declined Bidder will be responsible for paying the difference in the bids prices in addition to forfeiture of the bid guarantee. These actions will be taken against the declined bidders provided they decline during their Bid validity.</p>

Section IV. Bidding documents

The Bidding documents provided in this SSBD provide standard formats for a number of the key documents that the Contracting Entity and Bidders will exchange in the process of bidding.

{The contracting authority shall include the required information in these model documents in proportion to the requirements of each tender, prior to launching the tender process. The space required to include these notes is in spaces in italics with a gray background in parentheses. Any notes addressed to the contracting authority that are in { } brackets and written in a yellow background and background are for information only and must be removed prior to issuing the tender documents.}

The Bidder will fill in his part of the form where it is designated between brackets or_____.

The Bidders shall complete the Forms as indicated on the form, and submit them to the Contracting Entity.

1. Bid Submission Form.
2. Price Schedules for domestic (Laboratory Supplies and Equipment) or goods of foreign origin available in Iraq.
3. Price Schedules for (Laboratory Supplies and Equipment) to be imported from Abroad
4. Price Schedules for annual maintenance contracts after defects warranty period
5. Country of Origin Declaration Form
6. Manufacturer's Authorization Form.
7. Good Performance Certificate Form

1. Bid Submission Form

Date: [insert: **date of bid**]

{The Contracting Entity shall insert: *Tender Number:* [insert number]}

IFB Number: [insert number]}

To: {The Contracting Entity shall insert: [**Name and address of Contracting Entity**]}

Dear Sir or Madam:

Having examined the Tender documents, including Addenda Nos. [insert numbers], the receipt of which is hereby acknowledged, we, the undersigned, offer to supply and deliver the (Laboratory Supplies and Equipment) under the above-named Contract in full conformity with the said Tender documents for the sum of:

[insert: amount of "Iraqi Dinar" in words]		[[insert: amount of "Iraqi Dinar" in figures]]
plus	[insert: amount of "US Dollar" in words]	[[insert: amount of "US Dollar" in figures]]
plus	[insert: amount of "Euro" in words]	[[insert: amount of "Euro" in figures]]

1. (hereinafter called "the Total Bid Price") or such other sums as may be determined in accordance with the terms and conditions of the Contract. The above amounts are in accordance with the Price Schedules attached herewith and are made part of this bid.
2. We undertake, if our bid is accepted, to deliver the (Laboratory Supplies and Equipment) in accordance with the delivery schedule specified in the [insert "Contract Requirements List in Section-VI" or "as quoted in Price Schedule in Section-IV"] (the Bidder may select an appropriate clause).
3. We agree to all General Conditions of Contract in Section-VII read in conjunction with the Special Conditions of Contract in Section-VIII.
4. If our bid is accepted, we undertake to provide an advance payment security and Good Performance Guarantee in the form, in the amounts, and within the times specified in the Tender documents.

5. We agree to abide by this bid, for the Bid Validity Period specified in Sub-Clause 16.1 of the Bid Data Sheet in Section II and it shall remain binding upon us and may be accepted by you at any time before the expiration of that period.
6. Until the formal final Contract is prepared and executed between us, this bid, together with your written acceptance of the bid and your notification of award, shall constitute a binding Contract between us.
7. We understand that you are not bound to accept the lowest evaluated bid or any other bid that you may receive.
8. We agree to the following Eligibility Criteria:
 - a. We have nationality from Eligible countries as per ITB Sub-Clause-6.1 of Section-I.
 - b. We do not have conflict of interest in accordance with ITB Sub-Clause-6.1 (a) of Section-I.
 - c. We are not a Government-owned Entity in Republic of Iraq./ We are a Government-owned Entity in the Republic of Iraq and fulfil the requirement as per Sub-Clause 6.1(b) of Section - I.
 - d. We including any of our subcontractors or manufacturers for any part of the contract, have not been declared ineligible by the Contracting Entity, under the Contracting Entity's country laws or official regulations or by an act of compliance with a decision of the United Nations Security Council.
 - e. We have not been Black listed or Suspended by Ministry of Planning and declared ineligible to bid during the period of time determined as per ITB Clause 6.3 of Section-I.
9. We confirm that our website address is [*insert website address*] and our mail address is [*insert email address*], and that Mr. /Ms. [*insert name*] of Job Title [*insert job title*] and e-mail address [*insert e-mail address*] will be following up all matters relevant to any Clarifications.

Dated this [*insert: number*] day of [*insert: month*], [*insert: year*].

Signed: _____

Date: : _____

In the capacity of [*insert: title or title*]

Duly authorized to sign this bid for and on behalf of [*insert: name of Bidder*]

Technical Specifications

{The Contracting Entity shall include the information and specifications at the schedules of Laboratory Supplies and Equipment as necessary }

Summary of the technical specifications of Laboratory Supplies and Equipment.

N.C	item	packing	Medical city needs for 2025 , 2026	Estimated.Cost
53-000-028	F18 -FDG (250) mci	Vial	130,000	1500 \$ / (250) mci

Note : the estimated cost of the above mentioned material is (1500 \$ for every 250 mci delivered to the hospital / Iraqi origin) the price of the material includes transportation and licensing fees , this quantity is sufficient for 10 patients per day

Produce specification:

- 1.1 The packing material (if it is of vegetable origin) should be free of agricultural pests.
- 1.2 Materials shall be shipped in the form of nylon-plated ties and placed on wooden bases.
- 1.3 The shelf life of each article should be stated.
- 1.4 The origin of the raw materials shall be mentioned.
- 1.5 All labels and packaging information must be listed in English.
- 1.6Storage requirements for goods that require refrigeration or freezing or those that must be kept at a certain temperature to ensure stability must be strictly specified on the labels and cans of such goods, and they must be shipped in special containers or containers to ensure their stability during their transport from the point of shipment to the port of the point of arrival.
- 1.7Upon awarding the contract, the successful bidder (supplier) shall, upon request, provide a translated copy into the tender language of the information and metadata of any particular commodity that may be requested by the contracting party.

- a. The label on the basic container of each material must meet the W210 GMP Good Manufacturing Practices Standard and must include the following data:
- (a) The international nonproprietary name INN, or the generic name, is clearly prominent above the brand name, where there is a trademark. The brand name must not overshadow (in size or shape) the scientific name of the product;
 - (b) The shape of the product (product form), for example, a kit, a packet or a box
- The active ingredient for each unit
- (c) the buyer's logo, symbol and any specific color coding if required;
 - (d) The content of each pack;
 - (e) Instructions for use
 - (f) Special storage requirements;
 - (g) The batch number manufactured;
 - (h) Date of manufacture, expiration date, MOH/Iraq and national symbol (in plain language, not using a code);
 - (i) Name and address of the manufacturer;
 - (j) Any additional warnings.

2.2 The case or outer shell must also carry the data specified above.

3.1 All funds must carry the following data:

- (a) Indication of the item number and product code approved by the buyer - Purchaser's line and code numbers;
- (b) Generic Name;
- (c) Product form, for example, for example, kit, box, packet, etc. ;
- (d) Date of manufacture, expiration date, moh/Iraq, national code (in plain language, not using a code). the number of the batch or batch number that was manufactured; Quantity in each box; Storage instructions;
- (e) Name and address of the manufacturer;
- (f) Quantity in each box;
- (g) Storage instructions;
- (i) Any additional warnings.

3.2 The box must not contain products from more than one batch group.

5.1 The successful bidder (supplier) will be required to submit to the contracting party the following:

- (a) WHO certificate of quality control tests in quantitative inspection, chemical analysis, sterility, pyrogen content uniformity, microbial limit and other tests as applicable), with each shipment and per item, in addition to the manufacturer's certificate of analysis.
- (b) The screening methodology for any or all tests;
- (d) Supporting documents based on the calculation of the expiry date and other data relating to the stability of goods in their final commercial form, upon request.

5.2 The successful bidder (supplier) will also be required to facilitate the contractor's (buyer's) access to manufacturing facilities to ensure that the manufacturing of goods complies with Good Manufacturing Practices (GMP) requirements and quality control mechanisms.]

General Conditions of Contract (GCC)

1. Definitions	The words and terms used in this contract and listed below will have the following meanings:
	a. The term "contract" means an agreement concluded between the contacting entity and the supplier, as recorded in the contract document signed by all parties, including all attachments, appendices, and all related documents referred to herein.
	b. "contract value" or "contract price" means the amount due to the supplier under the contract in exchange for full and correct performance of all of his contractual duties.
	c. "Day" means a calendar day.
	d. "Contract validity date" means the date on which the contract becomes valid pursuant to paragraph 6.2 of the general conditions of the contract.
	e. "End-user" means the institution where laboratory supplies and equipment will be used as specified in the contracting requirements list. (It is one of the beneficiaries.
	f. "GCC" means the general conditions of contract specified in this section.
	g. "Purchaser" means the contracting entity that purchases the Laboratory Supplies and Equipment as specified in the General Conditions of Contract .
	h. "Registration Certificates" means the registration certificates or other required alternative documents, which confirm that the Laboratory Supplies and Equipment provided under the contract are registered for use in Iraq in accordance with the applicable and relevant laws.
	i. "SCC" means the Special Conditions of Contract.
	j. "Services" means the additional services required for contracting on the supply of Laboratory Supplies and Equipment such as transportation, insurance, and other secondary services.
	k. "Site" means the place or places belonging to the contacting entity (the beneficiary) according to the list of contracting requirements.
	l. "Supplier" means the individual or company that supplies laboratory supplies and equipment under this contract in accordance with what is specified in the special conditions of the contract .
	m. Corruption and fraud: The contracting entity defines corruption and fraud as per the relevant applicable Iraqi laws. For the purpose of this provision, the Contracting Entity will be guided further by the definition of the terms as set forth here below: 1. "corrupt practice" shall mean the offering, giving, receiving or soliciting, directly or indirectly, of anything of value

	<p>to influence improperly the actions of another party;</p> <p>2. “fraudulent practice” shall mean any act or omission, including a misrepresentation, that knowingly or recklessly misleads, or attempts to mislead, a party to obtain a financial or other benefit or to avoid an obligation;</p> <p>3. “collusive practice” shall mean an arrangement between two or more parties designed to achieve an improper purpose, including to influence improperly the actions of another party;</p> <p>4. “coercive practice” shall mean impairing or harming, or threatening to impair or harm, directly or indirectly, any party or the property of the party to influence improperly the actions of a party;</p> <p>5. “obstructive practice” shall mean the following:</p> <ul style="list-style-type: none"> a. deliberate destroying, falsifying, altering or concealing of evidence material to the investigation or making false statements to investigators in order to materially impede a Contracting Entity’s investigation into allegations of a corrupt, fraudulent, coercive or collusive practice in accordance with the applicable Iraqi laws; and/or threatening, harassing or intimidating any party to prevent it from disclosing its knowledge of matters relevant to the investigation or from pursuing the investigation; or b. the acts intended to materially impede the exercise of inspection and audit rights provided for under Sub-Clause 5.4 below in accordance with the applicable Iraqi laws.
2. Applications	The contained terms and provisions at the general conditions of the contract shall be applied unless otherwise any term is invalidated under other provisions.
3. Country of Origin	<p>3.1 For the purposes of this clause, "origin" means the place from which laboratory supplies and equipment are made, grown or produced, or the place or services are provided. The manufactured Laboratory Supplies and Equipment shall mean the Laboratory Supplies and Equipment that become a commercially distinctive recognized product that essentially differs (in the basic characteristics, purpose or use) from its components through manufacturing, processing or balanced or fundamental assembling operations (or Components merge operations).</p>
	<p>3.2 A distinction shall be made between the country of origin of the laboratory supplies and equipment and the nationality of the supplier.</p>

4. Standards	<p>4.1 The Laboratory Supplies and Equipment provided under this contract shall comply with the set forth standards at the technical specifications. In case of the lack of adopted standards for goods, the provided goods shall comply with authoritative standards, compatible with the country of origin. The most recent version of these standards issued by the institution concerned shall be approved.</p>
5. Use of contract documents and information; inspection and audit	<p>5.1 The supplier, without the purchaser's prior written consent, may not disclose the contract or any provisions related to it or any technical specifications, plan, plan, model, sample or information related to the contract that was previously provided to the purchaser by any party (other person) rather than the workers for the supplier for contract execution. The disclosure of information to any of the employees of the supplier shall be subject to the same confidentiality provisions and to the extent necessary only for the purposes of implementing the contract.</p>
	<p>5.2 The supplier may not, without the prior and written consent of the purchaser, use any document or information mentioned in paragraph 5.1 of the general conditions of the contract except for the purposes of implementing the contract.</p>
	<p>5.3 Any document specified in Paragraph 5.1 of the general conditions of the contract (with the exception of the contract itself) remains the property of the purchaser and the supplier shall return all these documents with any copies thereof to the purchaser after his completion of the contract, and upon the request of the purchaser.</p>
	<p>5.4 The supplier shall allow the purchaser, through the competent authorities, to monitor and inspect his offices, files, and / or accounts and records, and he shall provide these accounts and records for audit by assigned auditors, according to the applicable Iraqi laws.</p> <p>The supplier's attention is drawn to Article 23 of the general conditions of the contract, which specifies, among other things, that the practices aimed at clearly obstructing or obstructing the purchaser or the competent authorities in exercising their right to inspection and audit under this article. It is considered one of the prohibited practices that expose the supplier to the termination of the contract and to suspend his participation in other tenders or to include his name on the black list according to the relevant and effective Iraqi laws.</p>
6. Certificates of goods according to the regulations of Republic of Iraq	<p>6.1 If this is required in accordance with the laws in force, the supplier shall register (Laboratory Supplies and Equipment) provided under the contract, for use in Iraq. The purchaser shall cooperate with the supplier to facilitate the registration of (Laboratory Supplies and Equipment) for use in Iraq.</p> <p>6.2 Unless the special conditions of the contract are specified otherwise, the contract will become effective on the date (date of the contract's effective date) in which the supplier receives written notice from the competent authority that has authority in Iraq that the laboratory supplies and equipment have been registered for use in Iraq.</p>
7. Industrial Property Rights or Patent Rights	<p>7.1 The supplier shall vacate the purchaser from any liability and protect him from any damages resulting from any complaints, claims or disputes by any third party</p>

	in order to violate or infringe on patents or trademarks or industrial design rights resulting from the use of the goods or any part thereof in Iraq.
8. Good Performance Guarantee	<p>8.1 Within fourteen (14) working days (or 29 days, including the notice period or in the event of objections to contracting procedures), the successful bidder (the supplier) shall submit to the contracting entity a guarantee of good execution of the contract, at a value equivalent to 5% of Contract Value. The state's public companies and the public sector are exempt from the obligation to provide a good performance guarantee if the relevant and relevant provisions and instructions in the Republic of Iraq grant these exceptions.</p> <p>8.2 The good performance guarantee amounts are paid to the purchaser as compensation for any loss resulting from the failure of the supplier to complete his contractual duties.</p> <p>8.3 The good performance guarantee shall be in the currency or currencies specified in the contract or in any other widely circulated currency acceptable to the purchaser and be in the list of currencies that the Iraqi Central Bank issues its exchange rates to the Iraqi dinar. The guarantee shall be unconditional and payable on request. It shall be a bank guarantee letter issued by an approved bank in Iraq according to the instructions of the Central Bank of Iraq. If the letter of guarantee is issued by a bank located outside Iraq, then this guarantee shall be certified and signed by the bank of a financial institution equivalent and accredited in Iraq to make this guarantee viable Executable (back-to-back counter guarantee).</p> <p>8.4 The purchaser re-guarantees the good performance to the supplier after fulfilling his contractual obligations, the warranty period expires, the receipt certificate is issued and his final accounts are settled.</p>
9. Inspection and Testing	<p>9.1 The purchaser or his representative has the right to inspect and / or test Laboratory Supplies and Equipment, to ensure that they comply with the contract specifications. The special conditions of the contract and technical specifications shall specify the type of examinations and tests required by the purchaser and where they are conducted. The purchaser shall notify the supplier in writing, in the name of his representative appointed for this purpose, in a sufficient time.</p> <p>9.2 This article shall be in accordance with what is specified in the special conditions of the contract.</p> <p>9.3 The provisions of Article (8) of the general conditions of the contract do not relieve the supplier of any of his responsibilities related to guaranteeing defects or any of his other contractual obligations.</p>
10. Packing	<p>10.1 The packing of Laboratory Supplies and Equipment shall be appropriate and sufficient to ensure that they are not destroyed or any damage to them throughout the transportation and shipping period to the final arrival point, as specified in the contract. Packaging materials (outer packaging) should be sufficient to resist (and to the extreme), harsh treatment during loading / unloading (transpiration) during transit, exposure to extremely high / low temperatures, salts and rain / moisture during loading / unloading during transit and during storage in Open places. In addition, the size and weight of containers / boxes shall be designed with consideration given that</p>

	<p>the final point of arrival for the goods is not remote and that all loading / unloading places through all transit / transport points for heavy equipment to deal with the goods are missing, depending on Article 10 (packing).</p> <p>10.2 Packing materials (outer packaging) and labels/markings, stickers and documents inside and outside the covers shall fully comply with the special requirements expressly stated in the contract, including any additional requirements if any, specified in the special conditions of the contract or in the technical specifications or In any subsequent instructions issued by the purchaser.</p>
11. Delivery and Documents	<p>11.1 The supplier shall deliver the goods according to the conditions mentioned in the contracting requirements list. The special conditions of the contract specify the details related to shipping documents and documents and other documents that shall be provided by the supplier.</p> <p>For goods supplied from outside Iraq:</p> <p>Upon shipment, the supplier shall inform the shipping insurance company and the purchaser in writing of all details of the shipping process, including contract number, commodity details, quantity, date and place of shipment, means of transport, and the expected time of shipment to the final arrival point. In cases where the goods are sent via air freight, the supplier shall inform the purchaser at least forty-eight (48) hours before the goods are sent, in addition to the name of the carrier, the flight number, the expected arrival time and the number or <i>waybill number</i>. 16. Payments	<p>16.1 The method and conditions for making payments due to the supplier under the contract are as follows:</p> <p><u>In case the supplier is a public authority (a state company and a public sector), then the purchaser can raise the value of the advance payment according to the instructions in force.</u></p> <p>a. Payments for goods provided from outside Iraq:</p> <p>Foreign currency payments shall be made in the following currency: [<i>insert the contract currency</i>] and in accordance with the following:</p> <p>1. Upon shipment: the purchaser pays to the supplier [<i>eighty (80)</i>]% of the value of the goods subject to shipment, by means of a fixed and irrevocable documentary credit that is opened for the supplier in a bank in his home country. Payment shall be made according to the documentary credit, after presentation of the documents and documents specified in Article 11 of the general conditions of the contract;</p> <p>The purchaser will bear the costs of opening the documentary credit and the costs of amending it for reasons related to the purchaser or caused by the error or omission. The supplier shall bear the costs of fixing</p>

	<p>the documentary credit and the costs of amending it.</p> <p>2. Upon receipt (acceptance): the purchaser pays to the supplier <i>[twenty (20)]%</i> of the total contract value within <i>[thirty (30) days]</i> from the date of receipt of the goods, after submitting a payment request (indicating the purchaser's name, contract number, description of the payment and the amount Total, duly signed as original and stamped with the company's seal / stamp) in addition to the receipt certificate issued by the purchaser.</p> <p>The purchaser pays to the supplier the payments department in the currency agreed upon in the terms of the contract within <i>[thirty (30) days]</i> from the date of submitting a payment request (showing the purchaser's name, contract number, description of the payment and the total amount, signed according to the principles as the original and stamped with the company's stamp / seal) in addition to the receipt certificate Issued by the purchaser.</p> <p>b. Payments for goods provided from inside Iraq:</p> <p>Payments for goods and services provided from inside Iraq shall be made in Iraqi dinars, according to the following:</p> <p>1. Advance payment: The purchaser pays to the supplier <i>[insert the ratio according to instructions] for the local factories</i>% of the total contract value, after submitting a payment request (showing the purchaser's name, contract number, description of the payment and the total amount, signed according to the rules as original and stamped with a stamp / stamp The company) in addition to guaranteeing the advance payment according to the document attached to Section VIII.</p> <p>2. Upon receipt (acceptance): The purchaser pays to the supplier <i>[insert the ratio according to instructions]</i>% of the total contract value after submitting a payment request (showing the buyer's name, contract number, description of the payment and the total amount, signed according to the rules as original and stamped with the company's seal / stamp) in addition to the receipt certificate issued by the purchaser.</p> <p><u>{Please note that the rates specified above can be adjusted to comply with special contracting requirements or with approved commercial standards.}</u></p>
	<p>16.2 The supplier shall submit the request (s) of payment to the purchaser in writing, provided that each request is accompanied by an invoice describing the laboratory supplies and equipment and related services, as appropriate, in addition to the documents required under Article (11) of the general conditions of the contract, and after completing all the obligations specified in the contract.</p>
	<p>16.3 The purchaser shall make the payments as soon as possible and according to the work contexts of the Ministry of Health and in accordance with the terms of the tender announcement, and the special conditions of the contract specify the procedures to be followed in case the purchaser fails to pay the sums due.</p> <p>According to the case, the advance payment guarantee shall be an unconditional guarantee, to be paid</p>

	<p>at the first request for payment, provided that it is issued by one of the banks approved in Iraq according to an official publication issued by the Central Bank of Iraq. If the guarantee is issued by a bank located outside Iraq, then that bank shall have a synonymous financial institution / bank in Iraq to make this guarantee enforceable.</p> <p>In case of submitting a bank guarantee letter according to the formula approved by the banks.</p>
	<p>16.4 Payments will be made in the currency or in the currencies specified in the special conditions of the contract.</p>
	<p>16.5 An irrevocable, non-transferrable and unconfirmed documentary credit will be opened by the purchaser in accordance with the applicable Iraqi laws, and in case the supplier requires, in particular, that the credit be installed, then the supplier will bear the additional costs of installing Accreditation. The supplier shall bear the costs of extending the validity of the credit or amending it in case the reason for such extension or amendment is not due to the purchaser. However, if the amendment of the credit is necessary to make it conform to the requirements of the contract, then the cost of the amendment falls on the purchaser.</p>
17. Prices	<p>17.1 It is not permissible to change the prices specified by the supplier in his tender in exchange for laboratory supplies and equipment and related services under this contract; therefore the prices shall remain constant that does not change throughout the period of the contract's implementation.</p>
18. Amendment Orders	<p>18.1 No amendments to the contract may be made except for the reasons specified below from (a) to (e). In these cases, the amendment should be limited to the minimum possible, and then applied for the following reasons:</p> <ol style="list-style-type: none"> In case failure to amend the contract may lead to fundamental damages, economically and technically; In case the contract is not amended, laboratory supplies and equipment will be without interest after completion of the execution; In case the amendment will lead to a savings in the value of the contract; In case the amendment does not lead to drastic changes to the scope of the previously specified contract; In case the amendment would lead to expediting the completion of the implementation without resulting in a decrease in the technical specifications or the scope of the contract; <p>The purchaser may, according to the Iraqi laws in force, and through a written order addressed to the supplier under Article 31 of the general conditions of the contract, make amendments to the general scope of the contract for one or all of the following matters:</p>
	<ol style="list-style-type: none"> On the technical specifications, when the laboratory supplies and equipment required to be presented in the contract are manufactured specifically for the purchaser; On the way of shipment or packaging; On the place of delivery; and / or The services to be provided by the supplier.

	<p>18.2 If any amendment leads to an increase or decrease in the value of the contract or in the time required to implement the contract, or affects any of the contractor provider's contractual obligations, then a fair settlement shall be included on the contract value, on the implementation schedule, or on both, provided that the contract is modified Based on that.</p> <p>The supplier shall confirm any objection to any amendment / settlement of the foregoing, within a period of fifteen (15) days from the date the supplier received the amendment order.</p>
19. Contract Amendment	<p>19.1 According to Article (17) of the general conditions of the contract, it is not permissible to amend or change any of the provisions of the contract except through a written amendment signed by the two parties.</p>
20. Waiver	<p>20.1 The supplier is not entitled to assign the financial obligations of the contract or part of it to any other party in accordance with the legislation in force.</p>
21. Supplier's delay in implementation	<p>21.1 The supplier shall provide the laboratory supplies and equipment and related services thereto in accordance with the implementation schedule specified by the purchaser in the list of contracting requirements.</p>
	<p>21.2 At any time during the implementation of the contract, if the supplier or any of the subcontractors faced conditions that hinder or impede the provision of laboratory supplies and equipment and related services according to the schedule, then the supplier shall, upon the occurrence of these conditions, notify the purchaser in writing of the delay, and the expected delay period And because of him or his reasons. After the purchaser receives the supplier's notice of the delay, and at a reasonable speed, he shall make an evaluation of the situation, and accordingly the purchaser may, at his discretion, extend the period of execution - provided that the parties agree to extend this period of execution by signing a contract amendment in this regard.</p>
	<p>21.3 Except for the provisions of Article (23) of the general conditions of the contract, the delay of the supplier in the implementation of his obligations in providing the supplies and the laboratory equipment herein, delaying fines shall be imposed on him according to Article (22) of the general conditions of the contract, unless it is agreed to extend the implementation period Pursuant to paragraph 21.2 of the general conditions of the contract without applying any arrears fines.</p>
22. Arrears Fines	<p>22.1 With the exception of the provisions stipulated in Article (22) of the general conditions of the contract, if the supplier fails to provide any or all of the laboratory supplies and equipment within the period (s) specified in the contract for this, the purchaser is entitled, and without prejudice to any other rights or compensation incurred To him under the contract, deducting the arrears fines equal to the percentage specified in the special conditions of the contract for the delivery price of laboratory supplies and equipment in arrears for each week of delay or part of it until it is delivered or actual implementation and in the event of reaching the upper limit the purchaser has the right to cancel the contract as specified in the special conditions and according to Special instructions and controls Dora from the Ministry of Planning and any legislation in force.</p>
23. Work Withdrawal by the Employer	<p>23.1 The purchaser can, without prejudice to any other rights or compensation incurred by him</p>

Section II: Bid Data Sheet (BDS)

	upon breach of the contract, withdraw the work through a written warning for a period of (15) fifteen days of breach addressed to the supplier, according to the Iraqi laws in force that include charging the two teams and in the following cases:
	a. If the supplier fails to provide the laboratory supplies and equipment related to the services during the period specified for that in the contract, or any extension of this period according to Article (21) of the general conditions of the contract;
	b. If the laboratory supplies and equipment do not fulfil the technical specifications specified in the contract or fail to replace them within thirty days of receiving written notice from the purchaser;
	c. If the supplier fails to provide any registration or any other certificate related to the requisite laboratory supplies and equipment within the period specified for that in the special conditions of the contract;
	d. If it is revealed to the purchaser, according to the Iraqi laws in force, that the supplier has been involved in fraud, administrative corruption, collusion, oppression or disability practices in accordance with Article 1.1 of the general conditions of the contract, in its competition for the contract or its implementation; then the purchaser is permitted and after (15) A day after the supplier is given notice to withdraw work from the supplier on this basis; then the provisions of Article (22) are applied as if the work was withdrawn according to paragraph (22.1).
	e. In case the participation of any of the employees of the supplier during the provision of goods is proven by the practice of fraud, corruption, complicity, oppression or disability in accordance with Article (1.1) of the general conditions of the contract, then this worker shall be fired; or
	f. If the supplier fails to perform any of his other contractual duties.
	g. If the supplier assigns all or part of it to another provider, or subcontracts it with another provider.
	n. If he transfers parts of the supplied material to another supplier without the prior consent of the purchaser,
	23.2 When the purchaser withdraws the work in accordance with Article (22.1) of the general conditions of the contract, the purchaser may contract to supply the laboratory supplies and equipment similar to those that the supplier failed to provide, in accordance with the provisions and means that the purchaser deems appropriate, and that the supplier is obligated to the purchaser with any additional costs That may result from purchasing these laboratory supplies and equipment, and related services.
24. Work withdrawal for Bankruptcy	24.1 The purchaser can, at any time and after issuing a written warning, to the supplier. For a period of (15) fifteen days, the work is withdrawn without consulting the court in the following

	<p>cases:</p> <ul style="list-style-type: none"> a. If the supplier becomes bankrupt, insolvent, or is subject to liquidation of his assets, otherwise submits an application for bankruptcy or bankruptcy. b. If a decision is issued by the competent court to place the funds of the supplier in the hands of the bankruptcy trustee. c. If the supplier contracted a bankruptcy or waived rights in favor of his creditor. d. If the supplier agreed to implement his contractual obligation under the supervision of a monitoring body, composed of his creditors. e. If the seizure occurred on the funds of the supplier from a court of competent jurisdiction, and this seizure would lead to the supplier's inability to fulfill its contractual obligations. <p>In this case, the work is withdrawn without any compensation for the supplier, and without prejudice to any rights or compensation that the purchaser is entitled under the contract or will be charged thereto later.</p>
25. Force Majeure	<p>25.1 In compliance with the provisions of Articles (12), (21) and (22) of the general conditions of the contract, the delay of the supplier in the implementation or his failure to implement any of his obligations under the contract as a result of the occurrence of a force majeure, will not lead or be the cause of any claim. With arrears fines, confiscation of a good performance guarantee, or termination of the contract, to the extent that this performance is affected by this circumstance.</p>
	<p>25.2 For the purposes of this Article, the term "force majeure" means any event that is outside the will of the parties and is not expected. Force majeure conditions include, but are not limited to, the following wars, revolutions, fires, floods, epidemics, health bans, or bans on shipping.</p>
	<p>25.3 The supplier shall inform the purchaser in writing, immediately after the occurrence of force majeure and its causes, and the supplier after that shall try to fulfill his obligation within the limits of what is permitted by the new envelope, or search for other alternatives to complete the work, unless the purchaser asks him in writing otherwise.</p>
26. Contract Termination by the employer for convenience	<p>26.1 The purchaser has the right to terminate the contract in whole or in part, and at any time and in the following cases,</p> <ul style="list-style-type: none"> a. In the public interest. b. In case it is impossible to implement the contract for any reason or reasons agreed upon as being outside the control of both parties and led to the impossibility of preparation. <p>After sending a written notice to the supplier, that the contract shall be terminated.</p>

	<p>26.2 With regard to the remaining laboratory supplies and equipment, the purchaser may choose:</p> <ul style="list-style-type: none"> a. Purchase any part thereof with delivery in accordance with the terms and prices of the contract. b. Canceling the remainder of it and paying the supplier a sum agreed upon in exchange for the partial laboratory supplies and equipment.
	<p>26.3 If the contract is terminated in accordance with the foregoing, the rights, duties and obligations of the parties, including the amounts due to the supplier, are all subject to the procedures specified in Article (26).</p>
27. Disputes Settlement	<p>27.1 If a dispute or dispute of any kind occurs between the purchaser and the supplier that is related to or results from this contract, the two parties will endeavor to exert maximum efforts to resolve this dispute or dispute amicably through consultation between them.</p>
	<p>27.2 If the two parties fail to resolve this dispute or dispute in consultation within 30 days, either of the two parties can send a notice to the other party informing him of his desire to resort to arbitration according to this contract, and the dispute specifies the subject of arbitration, and it is not possible to resort to arbitration in this regard what The notice was not sent according to what this article stipulated.</p>
	<p>27.2.1 Any dispute or dispute under which notice of intention to resort to arbitration in accordance with the arbitration procedures referred to in this Article will be settled by arbitration. Arbitration can be used before or after submitting the laboratory supplies and equipment that are the subject of the contract. If arbitration is not agreed upon, Iraqi law to settle disputes will be applied.</p> <p>27.2.2 The provisions of the procedures specified in the special conditions of the contract are approved in the arbitration proceedings.</p>
	<p>27.3 Regardless of the arbitration procedures stipulated in this Article:</p> <ul style="list-style-type: none"> a. The parties shall continue to implement their obligations under the contract, unless they agree otherwise; and b. The purchaser shall pay the supplier any financial dues thereto
28. Limitation of Liability	<p>28.1 Except for cases of criminal negligence or intentional misconduct, or in the event of any breach under Article 7 of the General Conditions.</p> <ul style="list-style-type: none"> a. The supplier is not considered to be bound by the purchaser, whether by contract, by

	<p>law, or otherwise, for any indirect or consequential loss or damage, loss of use, loss of production, loss of profits, or cost benefits; this exception has no relation to duties The supplier is required to pay the arrears fines to the purchaser in accordance with the contract; and</p> <p>b. The total or ceiling of the supplier's obligation (by contract, by law, or otherwise) to the purchaser may not exceed the full contract value.</p>
29. Contract Language	29.1 All contract documents and all correspondence and communications related to the contract and exchanged between the parties shall be written in the contract language. The contract is being interpreted according to this language.
30. Governing Law	30.1 This contract is governed and interpreted according to the relevant and applicable Iraqi laws and under the jurisdiction of the Iraqi judicial law.
31. Notices	31.1 Any notice (notification) from one party to the other regarding this contract shall be in writing or by cable ("over the cable" including correspondence via email, telex, or fax, to be followed by written confirmation) and sent to an address The other party specified in the special conditions of the contract.
	31.2 The notice or notice shall be deemed to be effective from the date of its delivery or starting from any later date determined by this memorandum.
32. Taxes and Fees	32.1 When the supplier supplies the laboratory supplies and equipment from abroad, he will bear full responsibility for all taxes, fees, license fees, and other fees and levies required to be paid outside Iraq according to the applicable legislation.
	32.2 When the supplier supplies laboratory supplies and equipment from inside Iraq, then he will bear full responsibility for all taxes, fees, license fees, and other fees and levies required to be paid until the delivery of supplies, laboratory equipment and related services to the purchaser.
33. Deductions and concessions related to the amounts claimed	<p>33.1 When a claim or claims are submitted by the Republic of Iraq to the supplier to pay the sums of money resulting from or under the contract, the purchaser may deduct and also retain any amount or sums, in whole or in part, from the letter of guarantee (if present) that the supplier deposited for the purposes mentioned above, He also reserves the right to withhold the cash or guarantee, until this claim is settled.</p> <p>In case the bank guarantee is insufficient to cover the amount or amounts claimed, or in the absence of a letter of guarantee submitted by the supplier, then the purchaser may deduct and retain (as he enjoys the privilege to withhold the amount or amounts mentioned above), and to the extent of the value of these claimed amounts, Any amount or amounts due or will be due to the supplier at any later time under this contract or according to any other contract (if any, and in the absence of it, to take</p>

	legal measures regarding it) between the supplier and the purchaser or between the supplier and the Republic of Iraq, until such a claim is settled And without any right for the supplier to claim any benefits or a Damage arising from the foregoing and whatever its nature and on this basis or any other basis related to any sum of sum deducted or withheld under this Article, provided that the supplier is notified accordingly.

For technical reasons belong to supplier at ratio 100% with 20% management charges from the total QTY and exp. and impose delay penalty in case not shipping the

compensation QTY with same period and ratio and to impose delay penalty if non shipping the compensation QTY in the same period

The ratio agreed in the contract.

Compensation for failed materials (during the same processing period for each shipment) and for the stipulated and from the date of notification.

- Compensation for substances that have expired within a period (determined by Kimadia) from the date of notification shall be imposed and otherwise a delayed fine shall be imposed at the same rate as stipulated in the term of the delay fines.

- Compensation for expired materials shall be within a period determined by Kimadia for each shipment . Otherwise , a delay fine shall be imposed at the same rate stipulated in the delay fines clause .provided that compensation shall be in kind in the event of a need for the expired material .in the event that there is no need for the material .it shall material

- The second party has to ensure the hidden defects or any frailer in the product in duration parallel to shelf life of the product, regarding products without specified shelf life the 2nd party to ensure above defects for five years, calculating of the above periods to begin from the date of receiving tests results.

-As well as the same ratio of Penalty , in case the company not from the date of notifying him and the calculation of the shipping period per 2nd shipment will be started after the arrival of the compensated shipment if the contract was partial shipments otherwise a delay penalty will be imposed according to the ratio that mention on agreed penalties articles and in case the company has not compensate within a/m period kimadia has the right to buy the item from another source on contractor account and bearing him the difference price and to confiscate all insurance as well as to administrative charges and has the right to turn concerned court in order to obtain its rights

-The seller is responsible to compensate the buyer for the defected ite or shortage that appear after the distribution, usage of goods in the hospital after the necessary checking & analysis and if it is due to a manufacturing defect.

-(the seller should compensate the damaged , failed in analysis, missing, shortages items, and the items which not comply with specification required within delivery period stated in contract provided that started calculate from the date of notification company by the fail or shortage or missing taken into yr. consideration that the period must be within the period of execution the contract and the other shipments must be shipped within the same shipping schedule from the date of shipping the compensation Qty otherwise the delay penalty will be imposed at

the same percentage stated in penalties terms which agreed upon in case the company not compensate within a/m period, kimadia has the right to buy the item from other source and on contractor account as well as he will bear the difference in price and management charges and confiscates all insurance and added the administrative charges and has the right to resource to special courts to obtain its rights.

- The supplier must stamp the phrase (failed unusable (MOH-Kim)) on the failed quantity or non-conforming to the specifications in the stores of the Ministry of Health / Kimadia and at the expense of the supplier. - If a material fails to be analyzed or expires and the company does not respond to compensation within 15 days for foreign materials and 30 days for local materials after sending a warning letter containing compensation and withdrawal of the failed or expired material, Kimadia has the right to destroy the failed or expired material and forfeit the company's right to recover the material or its value. - The second party shall raise any materials proven to be failed or expired within (45) days from the date of notification, otherwise the second party is considered to have waived all its rights.

{Insert the following articles 15.1 and 15.6 related to equipment / medical devices only, otherwise they should be cancelled:

- The second party shall remove any articles that prove their failure or expiry within (45) days from the date of notification, otherwise the second party is considered to have waived all its rights.

"15.1 The supplier shall ensure and warrant that the Goods provided under the Contract are new, unused and of the latest model and include the latest developments (or current developments) in design and materials, unless otherwise specified by the Supplier. The contract shall not contain defects (which may arise / occur during the normal use of the goods in the circumstances prevailing in Iraq) resulting from design or defects resulting from the used materials or from the workmanship (except where the buyer specifies designs or materials required in technical specifications) Because of any action done by the provider Or any neglect of it Otherwise, a contractual fine shall be imposed in the proportions stipulated in the fines clause.

15.2 This warranty shall remain valid for [insert number]months after the Goods or any portion thereof as the case may be, have been delivered to and accepted at the final destination indicated in the Contract, or for [insert number (x + 6)]months after the date of shipment from the place of loading in the country of origin whichever period concludes earlier.

Note: The value of 'x' months need to be fixed based on market

	<p>survey. Generally, it is 12 months.}</p> <p>15.3 The Purchaser shall promptly notify the Supplier in writing of any claims arising under this warranty</p> <p>15.4 Upon receipt of such notice, the Supplier shall, within the period [15 days] days and with all reasonable speed, repair or replace the defective Goods or parts thereof, without cost to the Purchaser other than, where applicable, the cost of inland delivery of the repaired or replaced Goods or parts from ex-works or ex-factory or ex-showroom to the final destination.</p> <p>15.5 If the Supplier, having been notified, fails to remedy the defect(s) within the period specified in SCC, the Purchaser may proceed to take such remedial action as may be necessary, at the Supplier's risk and expense and without prejudice to any other rights which the Purchaser may have against the Supplier under the Contract.</p> <p>15.6 [insert "Not Applicable" or for sensitive medical equipment / devices, enter the following: "x% per annum] Enter, for example, 95% or 98% [UPTIME warranty] during the defect warranty period. If the downtime during the annual maintenance contract exceeds (100-x)%, the period of the contract shall be extended twice the period of the breakdown."]</p> <p>Shipping must be from newly made meals, the material that is (36) months old or more reaches us so that it has not passed from its age more than (6) months, as for materials whose age is between (25-35) months, it must reach us and its age has not passed more than (4) months, and the material that is (24) months old reaches us, it has not passed from its age more than (3) months, and the materials whose age ranges between (13-23) months must reach us, it has not passed from It is more than two months old and the material that is (12) months old or less reaches us with a validity of 90% of its life, otherwise a contractual fine is imposed and in the proportions stipulated in the fines item</p>
GCC 16.1	<p>The method and conditions of payment to be made to the Supplier under this Contract shall be as follows: {In case the Supplier is a Public Entity (Public Sector Company), then the Contracting Entity may increase the Advance Payment to 100% from contract value as per the instruction .</p> <p>A. Payment for Goods supplied from abroad: Payment of foreign currency portion shall be made in [insert: currency of the Contract Price] in the following manner: 1-Advance Payment: Not applicable section 8</p>

	<p>2- The payment of financial dues to the contracting company shall be by invoice system for each completed examination and for each three months, with the names of the months required for disbursement after being audited by the Central Committee in the concerned department and supported by a certificate of completion confirming that all examinations were completed and completed according to the terms of the contract and are paid at 100% of the invoice value.</p> <p>- All bank charges (opening, issuing for L/C and amendments fees ...etc) inside and outside Iraq are on the seller account.</p>
GCC 16-3	As soon as possible will settlement the payments after received the result lab testing according to announcement conditions.
GCC 16.5	The effective L/C will be from date of notification the supplier & The seller is responsible to obligate with delivery period from the date of notifying the L/C since the L/C is consider to be workable from (the date of notification) and in case the supplier not notified for reasons outside his willing and the willing of corresponding bank of supplier thus the notifying date of L/C or the amendments that made on L/C opining according to the order issued by our company to the L/C opening bank this date will be the dependable for shipping.
GCC 17	
GCC18	<p>18.2 additional to mention in GCC add the following:</p> <p>- Contracting party may increase the QTY of goods or material or amended the technique specifications that contracting in to no more than (20%)from contract value .</p> <p>-(necessity of contractual supply) are obligates of contractual supply.</p>
GCC19	<p>19.1 – in addition to the above the following will be adopted.</p> <p>- any change not allowed in contract unless there are agreement between the two parties otherwise the 2nd party considered a breach by his contractual commitments and kimadia has the right to take legal procedures or impose penalty at ratio not less than 1% and not more than 5% for shipping Qty for the arrival item and not comply with our contractual conditions.</p> <p>- The provision of the first party with the items stated in the attached list in accordance with the international standard specifications and the announced conditions and agreed upon and with the quantity in accordance with the prices stated behind each article</p>
GCC 20.1	“What adopted in Iraq” could not relinquishment on the contract or a part of it.

GCC21	<p>21.2 additional to mention in GCC must be take conceder upon extended the contract:</p> <p>First: Delay fines</p> <p>A. f any increase or change occurred in the required supplying qty (qualitative, quantitative) which may effect on executing program has been agreed upon and according to original contract.</p> <p>B. If the delay for executing the contract related to reasons or procedure for contracting side (our company) or any side which has been authorized legally</p> <p>C. If an exceptionable condition have occurred after contracting which is out of contractors hand which can't be avoided or expected upon contracting which caused a delay in completing the works or supplying the required items according to the contract.</p> <p>Second: - Contractual fines</p> <p>- The application of the provisions of this article requires that the contracting party submit a written request to the contracting authority or whomever it authorizes within a period of (20) working days for supply contracts, starting from the date on which the reason for which he is requesting the extension arose, stating the full and accurate details of any request to extend the period. No requests shall be accepted. After the issuance of the initial receipt certificate mentioned in the terms of the contract.</p> <p>- The total period of extensions allowed in accordance with the provisions of paragraphs (a, b, c of second) of Regulations No. 6 issued by the Ministry of Planning should not exceed (30%) of the contract period and what is presented to the Central Committee for review and approval of the assignment</p>
GCC 22	<p>22.1 Paragraph on the imposition of delayed fines shall be:</p> <p>A- 1- Delay fines</p> <p>A- The materials must be delivered in accordance with the shipping and delivery schedule mentioned in the delivery and shipping paragraph, otherwise a delayed fine shall be imposed for each day of delay and without prior notice and in accordance with the following equation:</p> <p>1. If the contract is a single shipment, the equation is as follows: Fine per day = contract amount (original contract amount \pm any adjustment in amount) / total contract duration (original contract duration \pm any change in duration) X 25%</p> <p>2- If the contract is more than one shipment, the equation is as follows: One-day fine = shipment amount + - (no change in amount) / duration of shipment +- any change in duration x 25%.</p> <p>Not exceeding 25 percent of the contract amount and after the delayed</p>

fine reaches its upper limit, legal action will be taken in accordance with article 10 and 3 of the government contract implementation instructions No. 2 in 2014.

a- Penalties are reduced according to completion rates of the contractual obligation specified in the plat form of implementation the contracts which issued a certificate of first delivery for preformed work or supplier item or service required matching and ready for use according to the conditions of contract and the application of equation as follows:

The value of commitment not implemented /total duration of contract
 $X 25\% = \text{fine per day}$

c -The first party has the right to take legal action against the second party after warning him officially within (15) days from date of warning and before reaching the delay penalties its max – **In the following cases:**

-

1- If the supplier delays in implementing his obligation to process the materials and according to the scheduling stipulated in the contract or its annex.

2- In the case of delay in submitting analysis models and according to the equation above.

3- In the event of a delay in shipping the agreed compensatory quantity during the delivery period and the duration of the execution of the contract.

4- - When the company that is contracted with hides the necessary information that is revealed later,

Take legal measures or impose a contractual fine according to the proportions stipulated in the clause of contractual fines.

22.2- Fines are imposed on companies that violate their obligations and as indicated below:

A- For the contracting authority impose a contract fine (1-5%) of the value of the contract if the contract is one shipment and impose a contractual fine (1-10%) of the value of the contract if the contract contains more than one shipment in the case of the following procedures:

A- Any change in the contract by the processor without the consent of the first party and as stipulated in paragraph **GCC. 1. 19**

B- In the event of any shortage of documents and documents to be submitted by the processor.

b- In the event of a violation of what is mentioned in paragraph 15.1 of the age of the article.

d- In the event of a violation of the paragraph S.S.A. for mobilization and packaging.

E-In the event of any violation committed by the processor (second party) the fine must be imposed by the buyer

	f- The contract, which includes free materials shipped with the contract materials and applies to the same terms of the contract (compensation, delay fines, import).
GCC23	23.1additional to mention in GCC when the supplier not obligate within warranty period(15) Day, we will take a legal action according to article no. (10) from the execution governments contracts instructions against confiscating or keeping the performance bond & the contract will be executed on the second party account according to the instructions no.2 for the year 2014 against confiscation or kept the legal insurance to execute the contract on his account depend on instructions no.3 for the year 2014 according to the execution methods.
GCC 24	In the event of bankruptcy of the company, the paragraphs in paragraph 24 of the general conditions are adopted
GCC 25	As in the general conditions
GCC 26	In the event that the processor does not comply with the agreed shipping schedule, The Right to Not Comply with any undertaking relating to this contract
GCC 27-2-2	Do not apply
GCC28	Do not apply
GCC29	The contract is organized in Both Arabic and English and arabic is the dependable when there is a dispute between the parties except for some technical terms that cannot be translated into Arabic
GCC30	Iraqi law is considered applicable when there is a dispute over the application of the provisions of the contract, (the controls for the processing of medicines, vaccines, supplies, medical equipment, instructions for the implementation of government contracts No. 2 for 2014 and the controls attached to them are not part of the contract
